As for expertise, I point out that I had published on this topic in "EXE: The Software Developer's Magazine" which you (= Microsoft) publish in. I did "work experience" with Jutta Krause on this topic (which is why you brought this webpage to my attention), as we used to work for the European Space Agency but this webpage has contributions by many non-space-scientists (e.g. an admittedly good contribution by "Herald Sukasi

³Over the last couple of months at [The Ditch](#) we've published reports about how a minimum of 90 tonnes of explosives for the IDF were illegally transported through Irish territory. We've reported how other flights undertaken by major airlines like the national carriers of Israel and Germany, [El Al](#) and Lufthansa, as well as [Delta Airlines](#) and [FedEx](#), have also brought munitions of war through Irish airspace on their way to the IDF. Some of these flights date as far back as three years. The Irish public had been repeatedly assured they weren't taking place.

In April Micheál Martin told People Before Profit's Bríd Smith that Irish airspace wasn't being used to transport weapons to Israel. "People should stop trying to muddy the waters in that respect, which is what is going on," he said, either incensed or just irate, can be hard to tell with him. Though he was exercised enough to suggest the issue was important to him, when presented with evidence he hadn't told the truth, the matter was no longer as significant.

Government could maybe look at telling the airlines, which had brought weapons over Ireland to an army committing genocide in Palestine, they couldn't come through Irish airspace again. "And that's about all we can do," he said." arsa [HTTPS://WWW.onTheDitch.com/comment-the-tankies-were-right](https://www.ontheditch.com/comment-the-tankies-were-right)

Hi Paul Colin,

Thanks for your reply.

Upon review, I see that 141231-000741 is a 2014 case. We do not have old case history in our database to check the issue.

Additionally, please note we will not be able to retrieve your comments.

I apologize for the inconvenience caused.

If there is no email, it means that LinkedIn did not remove any of your comments."

Hi Victoria,

Thanks for replying.

I searched for

safety team

on July 4th, 2024 and Alpine found only 3 emails:

"X A 11980 Jun 19 LinkedIns kundtjänst (82K) Reporting a Possible Scam [Ärende: 240610-022667]

X A 12068 Jun 24 LinkedIns kundtjänst (99K) Reporting a Possible Scam [Ärende: 240610-022667]

X 12161 Tuesday LinkedIns kundtjänst (.1M) Reporting a Possible Scam [Ärende: 240610-022667]".

This search above is for the inbox for me to which LinkedIn emails since the year 2022.

I also grepped for

safety team

through all the backed up inbox emails that LinkedIn sent that I have. Only these 3 LinkedIn emails from Summer 2024 state "safety team".

So I conclude that you are stating "LinkedIn did not remove any of" my comments.

Victoria wrote:

"If your comments are not visible, this can happen if anyone has reported your comment and due to this its not visible to others on the platform."

Those comments are also not visible to me. Who reported them? Why did they report them? The previous question includes asking about the logic that you used to show those comments to those reporters. Who would have witnessed those comments if those comments would be visible? When did those reporters report those comments? Please show me copies of those reports. Are any of those reports illegal (e.g. libelous)?

Please make all my comments visible again. When will you do so?

Victoria wrote:

This is a pity. LinkedIn promised in Case 141231-000741 that LinkedIn will share the data requested therein for court cases.

Next I quoted an unanswered email whose body I sent to many candidates for European-Union elections like this letter that I am about to quote:

"Dr.^a Filipa Isabel Gouveia de Melo Borges Belo Soares,

The Department of the False Physics,

The False University de Coimbra,

3004-516 Coimbra.

Cara Dr.^a Filipa Isabel Gouveia de Melo Borges Belo Soares!

Please comprehend that slavery and human trafficking and being conned by the False University de Coimbra (FUC!) into paying thousands of Euro of propinas and a defendant refusing to obey a court order to pay me a lot of money mean that it is not easy for me to afford to communicate directly with many persons, therefore please greet persons for me from our false university and please show them copies of this letter and please inform them about it.

All the illegalities (including inter alia torture; persecution; discrimination; slavery; and permanent physical injuries) that were perpetrated against me from Portugal and all of the Portuguese homicides that I am a witness about are because of the hypocritical dishonest maliciously criminal politician of the Bloco de Esquerda who is named Dr. Rui Miguel Curado da Silva (who also used to be my PhD co-supervisor). Therefore please consider him when voting.

Consider that the Bloco de Esquerda is a political party of Portugal but also that it is a member of a European party (namely The Left in the European Parliament – GUE/NGL) which also includes a different political party of Portugal: namely

“PARTIDO COMUNISTA PORTUGUÊS”

I wrote on LinkedIn on 26/05/2024:

Portugal protects deliberate ineptness which destroyed years of work.
HTM

Let us remember that Nigel Head said “They fucked up.” Let us remember that a lecturer in Sweden criticises you because you waste a hell of a lot of taxes.

Let us not forget that ESA spent circa the same amount of money on a SINGLE INSTRUMENT as Sweden spent on an ENTIRE SATELLITE with a similar instrument made by Omnisys. Let us also remember the Omnisys lecture where Omnisys mocked you by alleging that UK; German; and French firms made tenders and ESA’s georeturn policy let the only tender which failed the mass budget (by 5 kg!) win. “Of course the” lucky country won, said this lecturer.

Let us not forget that Luca Fanucci ordered me to falsify data when he said “Lie.” I always refuse of course because unlike many ESA persons I am not a liar. Cf. that I am not a subsidy fraudster, unlike you.

Let us not forget that ESA bribes countries so they refuse to investigate against ESA. So sans its georeturn policy, ESA manages to mismanage anyway.

Let us not forget that Philippe Willekens professed that he believed that Spain; Sweden; and a Gaelic place are in the Netherlands! Yeah right!

Let us not forget that you parasites still do not pay us for the works you enslaved us for in February 2005; that you murdered persons in Portugal to cover up such crimes; that one of your slave interns (Oscar Portela Arjona) quit because working for ESA is so bad; you lied; and you demanded us to travel backwards thru time:

[HTTPS://Gloucester.Insomnia247.NL/Evil_Slandering_Arseholes/

”.

Professor Rui Ferreira Marques unlawfully intercepted the letter that I myself wrote to the European Space Agency on 07/11/2010. Professor Rui Ferreira Marques criminally gave copies of that letter to many accomplices to torture on 28/01/2013 including our PhD supervisrix Filomena. E.g. Dr. Rui Miguel Curado da Silva said on 29/01/2013 that Paul Donzelli and Philippe Willekens and the European Space Agency deny the allegations which I make about them; that they are “pissed off” by me; that we apply to ESA for “a lot of money” (i.e. €230,000,000.00); and that he does not care about my “bleeding shoe” (I am directly quoting himself instead of myself) when he successfully lies about me causing myself to be tortured at Hospital Sobral Cid.

Many persons who work in the same room as you perpetrate perjuries for these show trials so are guilty of the resulting murders which happened.

Note that Professor Rui Ferreira Marques; Dr. Sharif Hasan Mahmoud Ghithan; Dr. Rui Miguel Curado da Silva; Dr. André Filipe Ventura Cortez; and perjuring quack Nuno Gonçalo Gomes Fernandes Madeira use false names on LinkedIn.

Note that all of the persons from The European Committee for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment who are connected with me on LinkedIn had visited me because of the torture that was inflicted in me by Rui Ferreira Marques; Rui Miguel Curado da Silva; Nuno Gonçalo Gomes Fernandes Madeira; and Maria Filomena de Osório Pinto dos Santos Figueiredo in 2013. They visited me after a neighbor was murdered by torture. Sharif Hasan Mahmoud Ghithan and André Filipe Ventura Cortez are also accomplices to this murder (and to another murder by torture).

Note that all of the lawyers who are connected with me on LinkedIn connected with me because of causes of actions related to this torture of 2013. Note that I interacted with only a tiny fraction of the lawyers for me via LinkedIn.

Thy sincerely,

Hi Paul Colin,

I'm sorry for not having a quick answer about your issue. I've forwarded your message to another group for additional review and advice. We'll be in contact with you as quickly as possible. Your issue may require additional research, which may extend your wait time.

If you can log into your account, you can update and check the status of your case on the LinkedIn Help Center Your cases page:

Hi Paul,

I apologize for the inconvenience caused.

I request you to kindly let me know what the issue is about.

So we can dive into it and try getting a solution for the same.

I am looking forward to help you get the issue resolved in no time.

Looking forward to your response.

Dear Sammy:

Thanks for responding.

You sent a computer translation from English to Swedish without sending the original English version. Computers are not perfect translators, so I suggest in future sending translations with originals.

I do indeed enjoy LinkedIn's Swedish interface, but I had written not 1 word of Swedish in this request as I had written in Galick. I suggest that a Galick speaker take over this request. LinkedIn employs these Gaelic attorneys:

Grainne Gleeson;

Sophie O'Connor;

Margaret O'Leary;

Sarah Reavey;

Shane McCarthy;

Grainne Morrissey;

Sarah Browne;

and

Shahmuddin Siddiky.

They are probably the ideal workmates to handle this request.

Yours sincerely,

Meddelande om översättning:

Vi får just nu in oväntat många ärenden. För att kunna svara på din fråga så snabbt som möjligt har det här svaret översatts från engelska med hjälp av maskinöversättning. Jag beklagar om informationen har översatts på ett märkligt sätt. Tack för ditt tålamod.

Om du föredrar att kommunicera på engelska är det bara att säga till så hjälper jag gärna till.

Hej Paul Colin,

Jag är ledsen att jag inte har ett snabbt svar, men jag är inte säker på att jag förstår din begäran. Skulle du ha något emot att förklara frågan för mig eftersom jag inte kan förstå detsamma.

Jag ser fram emot ditt svar eftersom det kommer att ge mig ett bättre grepp om hur jag kan hjälpa till att tillgodose ditt specifika behov.

Vänliga hälsningar

[Eoin O'Shea](#) : Firstly, there was no network of terrorist infrastructure in N. Ireland, or thousands of barrages of missiles being fired into England from civilian regions in N. Ireland, to keep matters in perspective. Also, England was not under attack from seven different directions by Hamas supporters of their genocidal policy. There was never an existential threat to England by ballistic missiles, or long range drones, or of a nation obtaining a nuclear device to wipe England off the face of the earth. It is a FACT under international law that it is a War Crime to deliberately use civilian lives as human shields is a Crime against Humanity. Any terrorist infrastructure or residential locations including, hospitals, schools, mosques used by terrorists become legitimate military targets. Obviously, any army in self-defense has the right to return fire from the direction of fire. Israel has set a standard for this kind of urban warfare in the ratio of civilian deaths to terrorists killed that has never been equalled for care and precision, in the order of 1:1. Also, the prior warnings given to civilians, together with creation of safe zones, provision of nearly three times the amount of humanitarian aid than before 7th October.” arsa

[Eoin O'Shea](#) : Multiple organisations such as UN and UNRWA being complicit with Hamas in these crimes against humanity, only indulge in anti-Israel propaganda that do not deliver truthful facts. The same applies to humanitarian aid that has increased threefold since October 7th, but the UN and UNRWA responsible for distribution of aid to civilians have not managed to properly organise this service, mainly due to refusal of Palestinian truck drivers fear of being shot by Hamas terrorists. All negotiations relating to release of hostages have been rejected by Hamas, you really need to follow reliable news sources for up to date accurate information. Once again, the loss of any civilian life in circumstances of war is tragic. Israel is the only army in the world that gives prior warning before action that often aborts response should this endanger civilian lives, sometimes even at risk to their own soldiers. Since Israel entered Gaza to dismantle the terrorist infrastructure, there have been many different safe areas for civilians, depending on the region where action is taking place. The

propaganda issue of "illegal settlements" according to Iran, Hamas, Hezbollah, Houhti Rebels, Syria, Iraq, all of Israel is an illegal settlement." arsa

⁵Lieber Lars Mehnen!, Frau Esa Petri - aus ESA - hat nach der ESA-Stelle ein Gib-nie-auf-Poster. (Es ist auf deutsch, obwohl sie deutsch nicht kann.) Sie hat auch eine Kopie desselben "Dilbert"-Posters, das Dr. Pierre Fabry bei der ESA gehabt hatte! Der klügster Schüler – im 6. Jahre – während der Teenagerzeit bei mir hat kaum bestanden, denn die Schule zuuuuu leicht für ihn ist, also hat er nach dem 3. Jahre noch nicht versucht. Er hat im 3. Jahre alle „A“-Noten als Einserschüler bekommt. Er war nicht bei einer Uni! „es okay ist, auch mal Fehler zu machen?“, so Elif Tunc. Vgl. „Fehler einzugestehen ist weniger fa-tal, als stets die angeblich großen Erfolge zu propagieren.“, so Ronja von Wurmb-Seibel. (Von Wurmb-Seibel bewilligt das Urheberrecht dafür.) Damalige Mitarbeiter bei der ESA und ich hatte bei Schulen, die ähnlich mit Gymnasien sind, gelernt, aber wir beschwerten uns über den Quatsch, dass wir bei Italienisch- oder Englisch-Prüfungen die einzige korrekte Antwort, die auf die „Wieso hat diese Figur so reagiert?“ Frage, nicht dürften. (Antwort: Wenn nicht, keine Geschichte wäre!) Der Deutschlehrer ist ausgezeichnet. Sprachfehler sind von mir selbst. Er ist schuld daran nicht.

⁶Lieber Lars Mehnen!, „Fehlzanzeige.“, so Elif Tunc. Eine Ausbildung ist leider so! „Oder, wie ich es liebevoll nenne: Bildungs-Klopapier.“, so Elif Tunc. Ein portugiesisches Gegenstück zu einem Fonds zur Förderung der wissenschaftlichen Forschung dürfte einen nicht-portugiesischen Abschluss als Klopapier benutzen, so eine Botschaft u.s.w.. Vgl.

It fails every time I test it with this sentence, even though I warned Google about this 2022 mistranslation in 2022. Contrast with a human being who asked me "What do you mean[. . .]?" Contrast with other human beings who also asked me to rephrase instead of picking any possible interpretation instead of any correct interpretation. An experimental (crap) FORTRAN compiler before 1977 used to attempt to generate executables even when it used to know that inputs are not valid FORTRAN. NÓTA DON DUINE A mBEIDH AN FÓGRA SEO Á FHÁIL ACU:

Tá tuilleadh eolais maidir le reachtaíocht fostaíochta, comhionannais agus caidrimh tionsclaíoch le fáil ar www.workplacerelations.ie nó trí ghloach a chur ar 0818 80 80 90.

Tá an méid a leanas le fáil ann freisin:

- Foirm fhreagra ES.2
- Nótaí míniúcháin “Eolas faoi Fhoirm ES.1 a fháil, nó conas úsáid a bhaint as Foirm ES.2”
- Nósanna imeachta maidir le hlmscrúdú a dhéanamh ar Ghearáin Fostaíochta agus Chomhionannais.

EOLAS FAOI CONAS ÚSÁID A BHAINN AS AN bhFOIRM ES.1

Tabhair do d’aire, le do thoil, nach comhairle dlí atá i gceist leis an bhFoirm seo ná leis na Nótaí Eolais, agus ní léiriú dlí iad ach an oiread. Cuirtear ar fáil iad mar chúnamh praiticiúil i dteanga atá soiléir sothuigthe, ionas go mbeidh eolas soiléir ag an dá pháirtí faoi na saincheistanna atá faoi chaibidil. Tá siad faoi réir fhocláíocht beacht na nAchtanna i ngach cás.⁸

1. Céard faoi an fhoirm seo?

Faoi na hAchtanna um Stádas Comhionann 2000-2015, tá sé neamhdhleathach go ginearálta idirdhealú a dhéanamh ar dhaoine nuair atá earraí, seirbhísí, áiseanna, cóiríocht nó oideachas á soláthar, bunaithe ar inscne an duine, stádas sibhialta, gnéaschlaonadh, reiligiún, aois, míchumas, cine ná ballraíocht den Lucht Siúil, agus i gcásanna áirithe nuair atá forlíonadh cíosa á fháil ag an duine.

Tá iompar eile ann atá neamhdhleathach chomh maith:

- ciapadh bunaithe ar aon cheann de na fachtóirí seo, nó gnéaschiapadh,
- duine a íospairt toisc gur lorg siad cearta atá faoi réir na nAchtanna um Stádas Comhionann,
- gan “freastal réasúnta” a sholáthar (mínítear é seo ag pointe 9) i gcás duine a bhfuil míchumas orthu.

Tá foráil déanta sna hAchtanna i leith roinnt díolúintí sonracha a bhaineann leis na rialacha ginearálta seo.

Foirm ES.1 Is í seo an chéad chéim chun gearán idirdhealaitheach a dhéanamh faoi na hAchtanna um Stádas Comhionann. Faoi na hAchtanna

⁸ Tá téacs iomlán na nAchtanna um Stádas Comhionann 2000 – 2015 le fáil ag www.workplacerelations.ie, nó ó irishstatutebook.ie. Leagtar amach thíos roinnt de na sainmhínithe ábhartha ón Acht, ag pointe 9.

um Stádas Comhionann, *ní mór* do dhuine ar mian leis/léi gearán a dhéanamh (“**an gearánach**”) Fógra scríofa a sheoladh chuig an duine a bhfuil gearán a dhéanamh faoi (“**an freagróir**”). Caithfidh eolas faoi leith a bheith san Fhógra, agus ní mór é a sheoladh lasitigh de theorainn ama faoi leith.

Is Fógra í an fhoirm ES.1. An aidhm atá aige ná cuidiú leis an dá pháirtí na riachtanais dlí a chomhlíonadh maidir le fógra agus freagra a thabhairt.

Rochtain agus riachtanais speisialta

Má tá deacracht agat an fhoirm seo a chomhlánú (mar shampla, de bharr mhíchumais nó teanga nó deacrachtaí scríbhneoireachta), déan teagmháil leis an an gCoimisiún um Chaidreamh san Áit Oibre. Déanfaimid iarracht cuidiú leat trí shocruithe malartacha a dhéanamh, mar is cuí.

2. Cad é “an t-iarratas ar eolas” (pointe 6 san fhoirm ES.1)?

Faoi na hAchtanna um Stádas Comhionann 2000-2015, tá tú i dteideal cesiteanna a chur ar an bhfreagóir, i d’Fhógra, chun eolas a fháil a bhaineann le do chás. (Níl sé éigeantach é seo a dhéanamh). Is féidir leat pointe 6 san Fhoirm ES.1 a úsáid chun é a seo a dhéanamh.

Níl aon dualgas ar an bhfreagróir do cheisteanna a fhreagairt. Ach, mura bhfreagraíonn siad, nó má thugann siad eolas atá bréagach nó míthreorach, tá foráil san Acht go bhféadfadh Oifigeach Breithniúcháin é seo a chur san áireamh, más cuí, nuair atá cinneadh á dhéanamh maidir le do chás.

3. An gcaithfidh mé an Fhoirm ES.1 a úsáid chun mo ghearán a chur in iúl don fhreagróir?

Ní chaithfidh. Níl aon ghá an fhoirm áirithe seo a úsáid. Tá sé deartha chun go mbeidh sé síos éasca don dá pháirtí forálacha na nAchtanna um Stádas Comhionann a chomhlíonadh maidir le fógra a sheoladh, iarratas a

dhéanamh ar eolas, agus freagra a fháil. Ach is féidir leat d'fhógra féin a scríobh, má chomhlíonann sé na riachtanais go léir atá sna hAchtanna um Stádas Comhionann.

4. Cad a dhéanfaidh mé leis an bhfoirm nuair a bheidh sí comhlánaithe agam?

Seol an fhoirm díreach ar aghaidh chuig an bhfreagóir (is é sin, an duine nó an eagraíocht ar dóigh leat go ndearna siad idirdhealú ort). Ná seol an fhoirm seo chuig an gCoimisiún um Chaidreamh san Áit Oibre, le do thoil.

Déan cóip den fhógra sula seolann tú é. Ba chóir duit é a sheoladh sa phost cláraithe, nó faigh **deimhniú postála** ó Oifig an Phoist.

Má tá sé i gceist ag grúpa daoine gearán a dhéanamh faoin imeacht céanna, ba chóir do gach gearánach fógra a sheoladh.

Seol an Fhoirm ES.2 (ceangailte) chuig an bhfreagóir le d'Fhógra. Is féidir leo í a úsáid chun freagra a chur chugat.

5. An bhfuil teorainn ama ann chun an fógra a sheoladh?

Tá. Tá sé seo tábhachtach. Leagtar amach sna hAchtanna um Stádas Comhionann go gcaithfidh tú an Fógra a sheoladh chuig an bhfreagróir laistigh de dhá mhí ó tharla an t-imeacht a bhfuil tú ag déanamh gearán faoi.

Mura dhéanann tú é seo laistigh den teorainn ama seo, d'fhéadfadh sé nach mbeidh do ghearán bailí: mura bhfuil an gearán bailí, ní féidir leis an Oifigeach Breithniúcháin déileáil leis.

6. An féidir liom aon rud a dhéanamh má tá an teorainn ama cailte agam?

I gcúinsí áirithe, is féidir síneadh de cheithre mhí, ar a mhéad, ó tharla an t-imeacht, a chur leis an teorainn ama chun fógra a sheoladh. Ní mór duit iarratas a chur chuig Oifigeach Breithniúcháin an Choimisiúin um Chaidreamh san Áit Oibre ina n-iarrann tú air nó uirthi síneadh ama a thabhairt, agus ní mór go mbeidh sé nó sí sásta go bhfuil cúis réasúnta ann chun é seo a dhéanamh. (Mínítear conas an t-iarratas seo a dhéanamh i *Nósanna Imeachta d'Imscrúdaithe ar Ghearáin Fhostaíochta agus Chomhionannais* de chuid an Choimisiúin um Chaidreamh san Áit Oibre).

I gcúinsí atá an-teoranta, de réir na nAchtanna um Stádas Comhionann, is féidir le hOifigeach Breithniúcháin an Choimisiúin um Chaidreamh san Áit Oibre roinnt de na coinníollacha fógra, nó iad go léir a ligean thar ceal, (mar shampla, glacadh le gearán cé nach bhfuarthas an fógra laistigh de na teorainneacha ama atá ceadaithe). Tá sé scríofa san Acht, áfach, nach féidir é seo a dhéanamh ach amháin:

- *I gcúinsí eisceachtúla*
- *Nuair atá an tArd-Stiúrthóir sásta go bhfuil sé cothrom agus réasúnta sna cúinsí áirithe atá i gceist*
- *nuair a chuirtear na cúinsí ábhartha go léir san áireamh, lena n-áirítear:*
- *an méid eolais is dócha go bhfuil ag an bhfreagróir maidir leis na cúinsí inar tharla an t-iompar toirmiscthe*
- *agus méid an riosca nó an dochair a d'fhéadfadh tionchar a bheith aige ar chumas an fhreagróra déileáil go sásúil leis an ngearán.*

Ní mór duit iarratas a chur faoi bhráid Oifigigh Bhreithniúcháin de chuid an Choimisiúin um Chaidreamh san Áit Oibre chun go ligfí thar ceal an fógra.

Beidh an deis ag an bhfreagróir a thuairim a chur in iúl más amhlaidh go bhfuil sé i gceist ag an Oifigeach Breithniúcháin síneadh ama chur leis an iarratas nó an fógra a ligean thar ceal.

7. Cad a tharlóidh nuair a bheidh an fhoirm seolta agam?

Mura bhfuil freagra faighte agat tar éis mí amháin, nó má fhaigheann tú freagra agus níl tú sásta leis, is féidir leat gearán a dhéanamh faoi na

hAchtanna um Stádas Comhionann leis an gCoimisiún um Chaidreamh san Áit Oibre, ag www.workplacerelation.ie nó An Coimisiún um Chaidreamh san Áit Oibre (WRC), Bóthar Uí Bhriain, Ceatharlach, R93 W7W2. Beidh ort foirm ghearáin a chomhlánú. Tá an fhoirm seo ar fáil ar líne ó www.workplacerelation.ie.

Tabhair do d'aire go bhfuil teorainn ama faoi leith ag gabháil le gearán a dhéanamh. Ní mór don ghearán a bheith faighte ag an gCoimisiún um Chaidreamh san Áit Oibre laistigh de sé mhí ó tharla an t-imeacht atá faoi chaibidil (nó sé mhí ó tharla an t-imeacht deireanach, más amhlaidh go raibh níos mó ná imeacht amháin ann den chineál céanna.)

8. Cad a chiallaíonn na téarmaí dlí san fhoirm ES.1?

Mar seo a leanas a shainmhínítear sna hAchtanna um Stádas Comhionann na téarmaí thíosluaite:

“aois”: De réir na nAchtanna um Stádas Comhionann, ní mheasfar gur idirdhealú ar an bhforas aoise é má dhéileáiltear le duine nach bhfuil 18 mbliana d’aois slánaithe aige nó aici le níos lú fabhair nó le níos mó fabhair ná mar a dhéileáiltear le duine eile.

Mar sin féin, d’fhéadfadh sé a bheith mídhleathach idirdhealú a dhéanamh in aghaidh duine atá faoi bhun 18 ar aon cheann de na forais chosanta *eile*, e.g. an foras cine nó míchumais.

Ciallaíonn **“míchumas”**—

“(a) feidhmeanna coirp nó meabhrach duine a bheith in easnamh go hiomlán nó go páirteach, lena n-áirítear cuid de chorp duine a bheith in easnamh,

(b) orgánaigh atá nó is dóigh a bheidh ina dtrúig galair nó tinnis ainsealaigh a bheith sa chorp,

(c) mífheidhmiú, anchuma nó máchailiú cuid de chorp duine,

(d) riocht nó mífheidhmiú a bhfuil de thoradh air go bhfoghlaimíonn duine ar shlí éagsúil le duine nach bhfuil an riocht nó an mífheidhmiú air no uirthi, nó

(e) riocht, tinneas nó galar a fhearann ar phróisis smaointe duine, ar aireachtáil na réaltachta ag duine, ar mhothúcháin nó ar bhreithiúnas duine nó a bhfuil iompraíocht shuaite de thoradh air”.

Tarlaíonn **“idirdhealú díreach”** *“nuair a dhéileáiltear le duine le níos lú fabhair ná mar a dhéileáiltear, mar a dhéileáladh nó mar a dhéileálfáí le duine eile i gcás inchomparáide”* bunaithe ar aon cheann de na forais chosanta (inscne, míchumas, cine srl). Mar shampla, má dhéileáiltear le fear le níos mó fabhair ná mar a dhéileáiltear le bean i gcúinsí inchomparáide, agus is léir gur déileáladh go héagsúil leis toisc gur fear é, d’fhéadfadh sé go bhfuil idirdhealú díreach i gceist bunaithe ar inscne.

“idirdhealú”: Cuireann na hAchtanna um Stádas Comhionann cosc ar fhoirmeacha éagsúla idirdhealaitheacha, lena n-áirítear *idirdhealú díreach, idirdhealú indíreach, mainneachtain “freastal réasúnta” a sholáthar* do dhuine faoi mhíchumas (mínítear é seo thíos), agus *idirdhealú trí bhainteacnt* (nuair a dhéileáiltear le duine le níos lú fabhair toisc go bhfuil baint acu le duine eile faoi fhoras cosanta, mar shampla an foras cine, míchumais, náisiúntacht, srl.) Is idirdhealú é *Íospairt* a dhéanamh ar dhuine agus déileáiltear léi mar sin.

Ciallaíonn **“stádas teaghlaigh”** *“bheith torrach nó freagracht—*

- (a) *mar thuismitheoir nó mar dhuine in loco parentis i ndáil le duine nach bhfuil 18 mbliana d’aois slánaithe aige nó aici, nó*
- (b) *mar thuismitheoir nó mar an cúramóir príomha cónaitheach i ndáil le duine ag a bhfuil an aois sin nó atá os cionn na haoise sin agus atá faoi mhíchumas de chineál is cúis le cúram nó tacaíocht a bheith ag teastáil ar bhonn leanúnach, rialta nó minic,*

agus, chun críocha mhír (b), is cúramóir príomha cónaitheach i ndáil le duine faoi mhíchumas é nó í cúramóir príomha má tá cónaí ar an gcúramóir príomha leis an duine atá faoin míchumas”

ciallaíonn **“earraí”** aon bhaill maoiné sochorraithe.

Ciallaíonn **“foras”** an bunús ar a dhéantar idirdhealú: is iad na “forais’ a chosnaítear faoi na hAchtanna um Stádas Comhionann ná **inscne, stádas sibhialta, stádas teaghlaigh, gnéaschlaonadh, reiligiún, aois,**

míchumas, cine, ballraíochta den Lucht Siúil, cúnamh tithíochta nó íospairt.

Ciallaíonn **“ciapadh”** *“aon chineál iompair nach bhfáiltíonn an t-íospartach roimhe a tharlaíonn gan iarraidh⁹ a bhaineann le haon cheann de na forais idirdhealaitheacha...a bhfuil mar aidhm nó mar éifeacht aige dínit duine a shárú agus a bhféadfaí a mheas gur ábhar coil, uirsílithe nó imeaglaithe é dó nó di”*,

Ciallaíonn **“cúnamh tithíochta”** forlíonadh cíosa nó íocaíocht ar bith a fháil faoi na hAchtanna Leasa Shóisialaigh

D’fhéadfadh **“idirdhealú indíreach”** a bheith ann *“sa chás go gcuirfí duine [atá ina bhall de ghrúpa atá clúdaithe faoi fhoras cosanta ar leith], faoi mhíbhuntáiste ar leith i gcomparáid le daoine eile nach n-áirítear sa ghrúpa sin, faoi fhoráil atá neodrach de réir dealraimh”*. (Mar shampla, riachtanas airde). Dealraíonn sé go bhfuil an riail neodrach: Ní dhéanann sé idirdhealú díreach ar aon cheann de na forais atá cosanta toisc go bhfeidhmíonn sé beag beann ar insnce, náisiúntacht, aoise, srl. Ach, d’fhéadfadh mná an argóint a dhéanamh go gcuireann an riail, atá neodrach de réir dealraimh maidir le hinscne, mná faoi mhíbhuntáiste i gcomparáid le fir, agus go ndéanann sé idirdhealú indíreach in aghaidh na mban ar an mbonn sin.

Tá an t-idirdhealú indíreach faoi réir tástála eile: d’fhéadfadh sé a bheith dleathach fós *“sa chás go bhfuil sé faoi réir údar maith oibiachtúil agus go bhfuil an modh chun an aidhm sin a bhaint amach cuí agus riachtanach.”*

ciallaíonn **“stádas pósta”** bheith singil, pósta, idirscartha, colscartha nó baintreach nó i bpáirtnéireacht shibhialta;

“freastal réasúnta”: Chun críocha an Achta folaíonn idirdhealú *“diúltú nó mainneachtain ag an [bhfreagróir] gach ní réasúnach a dhéanamh*

⁹ “Áirítear san iompar seo gníomhartha, iarratais, focail labhartha, gothaí nó táirgeadh, taispeáint nó scaipeadh focal scríofa, pictiúr nó ábhair eile”.

chun freastal ar riachtanais duine atá faoi mhíchumas trí chóir speisialta nó trí trí shaoráidí speisialta a sholáthar, más rud é, d’uireasa na córa nó na saoráidí sin, nárbh fhéidir leis an duine féin nó gur rídheachair don duine féin leas a bhaint as an tseirbhís”. Níl sé seo neamhdhleathach, áfach, “má thiteann costas, seachas costas ainmniúil ar sholáthraí na seirbhíse atá i gceist mar gheall ar an soláthar sin.”

folaíonn “**creideamh**” cúlra nó dearcadh creidimh”;

Tarlaíonn “**gnéaschiapadh**” nuair a dhéanann duine “*duine eile a chur faoi réir aon ghnímh nó iompair lena ngabhann seach-chialla gnéis agus é a chur faoi réir dlúthchaidrimh fhisicigh briathartha nó neamhbhriathartha,¹⁰ nach bhfáiltítear roimhe agus a bhfuil mar aidhm nó mar éifeacht aige dínit duine a shárú agus a bhféadfaí a mheas gur ábhar coil, uirsílithe nó imeaglaithe é dó nó di.*”

ciallaíonn “**seirbhís**” seirbhís nó saoráid de chineál ar bith atá ar fáil don phobal i gcoitinne nó do chuid den phobal, agus, gan dochar do ghinearáltacht an mhéid sin roimhe seo, folaíonn sé—

- (a) rochtain ar aon áit agus úsáid aon áite,
- (b) saoráidí le haghaidh na nithe seo a leanas—
 - (i) baincéireacht, árachas, deontais, iasachtaí, creidmheas nó maoiniú,
 - (ii) siamsaíocht, áineas nó úrúchán,
 - (iii) gníomhaíochtaí cultúir, nó
 - (iv) iompar nó taisteal
- (c) seirbhís nó saoráid a sholáthraíonn club (cibé acu is club é a shealbhaíonn deimhniú cláraitheachta faoi Achtanna Clárú na gClubanna, 1904 go 1999, nó nach ea) agus atá ar fáil don phobal i gcoitinne nó do chuid den phobal, ar íocaíocht nó gan íocaíocht, agus (d) seirbhís ghairmiúil nó trádála, ach ní fholáíonn sé cearta pinsin (de réir bhrí an Achta um Chomhionannas

¹⁰ “Áirítear san iompar seo gníomhartha, iarratais, focail labhartha, gothaí nó táirgeadh, taispeáint nó scaipeadh focal scríofa, pictiúr nó ábhair eile”.

Fostaíochta, 1998) ná seirbhís nó saoráid a bhfuil feidhm ag an Acht sin maidir léi;”

ciallaíonn “gnéaschlaonadh” claonadh heitrichnéasach, homaighnéasach nó déghnéasach;

ciallaíonn “Lucht Siúil” an pobal daoine dá ngairtear an Lucht Siúil go coitianta agus a shainaithnítear (acu féin agus ag daoine eile) mar dhaoine ag a bhfuil stair, cultúr agus traidisiúin i bpáirt, lena n-áirítear, go stairiúil, saol fánaíochta ar oileán na hÉireann”.

Baineann an “**íospairt**” le duine atá—

“(i) tar éis iarratas a dhéanamh de mheon macánta ar aon chinneadh nó sásamh dá bhforáiltear sna hAchtanna um Stádas Comhionann,

(ii) tar éis freastal mar fhinné os comhair an IHREC, Oifigigh Bhreithniúcháin den Choimisiún um Chaidreamh san Áit Oibre nó cúirte i dtaca le haon fhiosrúchán nó imeachtaí faoi na hAchtanna seo,

(iii) tar éis fianaise a thabhairt in aon imeachtaí coiriúla faoi na hAchtanna

(iv) tar éis trí mhodhanna dleathacha cur i gcoinne gnímh atá neamhdhleathach faoi na hAchtanna, nó

(v) tar éis fógra a thabhairt faoi é a bheith beartaithe aon cheann de na gníomhartha a shonraítear thuas a dhéanamh.”,

agus déileáiltear, déileáladh nó déileáilfaí leis an duine sin le níos lú fabhair dá bharr ná duine eile nach ndearna amhlaidh i gcúinsí inchomparáide.
