**TO WHOM IT MAY CONCERN:**

Re: [... blinded]

The above named gentleman was admitted to St. Patrick's University Hospital under the care of Professor Paul Fearon's team on 22<sup>nd</sup> April 2013 and is due to be discharged on 29<sup>th</sup> May 2013.

During his admission he had a normal MRI brain scan, and he displayed no evidence of a major mental illness such as schizophrenia or bipolar affective disorder.

Prof. Paul Fearon  
Consultant Psychiatrist
