List Names ▲	List Descriptions
<input type="checkbox"/> COMMONWEALTHLEGALED [Settings] [Post] Commonwealth Legal Education Association	The CLEA fosters and promotes high standards of legal education in the Commonwealth. Founded in 1971, it is a Commonwealth-wide body with regional Chapters and Committees in South Asia, Southern Africa, West Africa, the Caribbean and the UK. This email distribution list is closed so that only the authorized CLEA list owners can post to the list with regular updates relating to the conference, moot, other events, newsletters and journal alerts.
<input type="checkbox"/> COMP-FORTRAN-90 [Settings] [Post] Fortran 90 List	This list covers all aspects of Fortran 90, 95, 2003, 2008, 2018 and various parallel Fortran dialects. The emphasis should be on the *new* features of Fortran 90. It welcomes contributions from people who write Fortran 90 applications, teach it in courses, want to port programs and use it on (super) computers.
<input type="checkbox"/> CONTRACTCHEATING [Settings] [Post] Contract Cheating Special Interest Group	E10 N2 T2 Contract cheating is a form of academic dishonesty, where students have work completed on their behalf which they submit for academic credit. This list allows researchers and practioners to come together to discuss this form of cheating and the solutions available for it.

|--------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> CRIME-EVALUATION [Settings] [Post]
Criminal Justice Evaluation of Crime Reduction and Disorder Projects | This list will promote the discussion and network of academics in the UK who are currently working on the evaluation of crime reduction and disorder projects. |
| <input type="checkbox"/> ETHICS-SEFI [Settings] [Post]
Ethics in Engineering Education Working Group | This list is used by members of the Ethics in Engineering Education Working Group of SEFI (European Society of Engineering Education) to share and discuss, e.g., experiences, practices, developments and events in ethics and ethical leadership in engineering education. |
| <input type="checkbox"/> GIPSY-OASIS [Settings] [Post]
Global Positioning System (GPS) research | This list will stimulate research in many areas of GPS research. It will promote and aid discussion for all Global Positioning System (GPS) users of JPL's GIPSY-OASIS II software suite. Focus will be on problems, developments, strategies and applications. All levels of user welcome. |
| <input type="checkbox"/> LAW-SCHOLAR [Settings] [Post]
Announcement list for legal scholars | The list provides a vehicle for bona fide legal scholars to disseminate news which will be of interest to the wider academic legal community, whatever their particular area of specialism. Postings will include (inter alia) calls for papers for forthcoming conferences, research collaborations and publishing opportunities. |
| <input type="checkbox"/> MEDLAW [Settings] [Post]
Medical Law UK | An email list for studies in Medical Law |
| <input type="checkbox"/> SWWT-IONO-EFFECTS [Settings] [Post]
Space Weather Working Team Ionospheric Effects Topical Group | The Ionospheric Effects Topical Group is a forum for discussion and exchange of information, ideas and thoughts regarding ionospheric modelling, observations and mitigation techniques. The group also addresses topics related to ionospheric services for end user communities. |
