

SVERIGES DOMSTOLAR

CONFIDENTIAL MESSAGE
- Read Message**Information about the processing of personal data in this service**

The person responsible for personal data (relevant authority within the Swedish Courts) collects, saves and stores personal data. Personal data is processed in order to be able to communicate and ensure the functionality for secure correspondence and to verify correct senders and recipients when this encryption solution is used. Information collected is stored for a maximum of 90 days. Saved information can consist of senders and recipients e-mailaddress, IP addresses and mobile number.

For more information on how your personal data is handled, read: [Processing of personal data](#).
