I will not take on your case, since you do not provide me with the simplest information I have been asking for. Whan I said it takes 5 minutes to appeal the case I meant a short appeal, stating your claim and then ask for a respite to complete the appeal at a later date. That you have to do before the time limit for the appeal expires.

Kind Regards

Hej! Kan jag tala till Jonas Wiklund, är ni snäll?

Mister Wiklund is "not working so much anymore because he will be retired"

HUDOC berättar om J. Wiklund i Skellefteå men Advokatsamfundet berättar bara om Jonas Wiklund i Västerås. Är de den här samma personen?

Jag hade fallit offer för till exempel tortyr. Europarådets torturovervakningskomité besökte mig i två åren. Jag fick ett beslut i april. Jag vill till Strassburg klaga. Vill Jonas Wiklund representera mig, är ni snäll?

"No." said a woman who asked me where is the ECtHR.

Hej Jonas Wiklund!

Jag hade fallit offer för till exempel tortyr. Europarådets torturovervakningskomité besökte mig i två åren. The European Committee

for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment repeatedly criticises a defendant because it violated Article 3 against me. These CPT reports can be downloaded from <HTTPS://WWW.COE.int/en/web/cpt/portugal>

A defendant served on me a document on the 9th day of April of 2024 without a translation. It could be a final domestic decision. Vill du en

översättning till svenska eller engelska eller grekiska?

Jag vill till Strassburg klaga. Vill du representera mig, är ni snäll?

Most documents of this process are never translated and are in Portuguese.

Portugal tortured me so I will prosecute Portugal, but Portugal tortured

because the putative Republic of Ireland refuses to rescue me, so I will

also prosecute the putative Republic of Ireland. I did not find a Gaelic lawyer with spare capacity.

Evidence which I sent to the ECtHR includes documents in our language which you do not understand. Perhaps I must request a Gaelic lawyer to

write for you and for the ECtHR a written statement in English or Swedish or Greek or Kurdish confirming to you that this evidence proves illegalities. Below is a draft . . .

I complain to the ECtHR about inter alia Article 3. I might instruct a lawyer overseas who already won about Article 3 at the ECtHR.

Such a lawyer of course does not understand Irish so can you provide affidavits and/or other proofs for this ECHR lawyer in English or Swedish or French or Italian?

I commenced to prosecute in Sweden when I did not have much money (because a defendant in Portugal refused to obey a Portuguese-court order to pay me much more money than our court cases will cost me), so I (unsuccessfully) applied for Swedish legal aid. This deprivation of legal aid and the withholding of informations about this inexistent legal aid are the topic of our administrative court case.

The first prosecution that I started in Sweden is against a crime. An expert confirms that that illegality against me is criminal. That crime in Sweden is by a criminal residing in Portugal. This application for legal aid is against that crime. An advocate in Sweden said that my representation for that criminal court case would be too expensive beyond the initial consultation (which I myself paid for), therefore he said that I must apply for this (inexistent) legal aid. This defendant in Portugal perpetrates much worse crimes (inter alia murders) against different victims in Portugal. Cf.

This defendant in Portugal illegally blocks all my Swedish dictionaries and all my Swedish compact discs and all my Swedish tapes and all my books about Swedish. If I made any linguistic mistakes about Swedish when complaining to Swedish authorities then please emphasize them because they would prove that I need professional assistance.

For both Article 3 to the ECtHR and a Swedish administration action he recommended a "center for rights" whose name he is not sure he remembers: maybe something like "centrum för rättvisa". I may email him for its exact name if I fail to find it.

Hej Centrum för rättvisa!

Karl Larsson av Advokatfirman Delphi rekommenderar Centrum för rättvisa.

Jag hade fallit offer för till exempel tortyr. Europarådets torturovervakningskomité besökte mig i två åren. The European Committee

for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment repeatedly criticises a defendant because it violated Article 3 against me. These CPT reports can be downloaded from <HTTPS://WWW.COE.int/en/web/cpt/portugal> or from back-ups from

A defendant served on me a document on the 9th day of April of 2024 without a translation. It could be a final domestic decision. Vill du en

översättning till svenska eller engelska eller . . .?

Jag vill till Strassburg klaga. Vill du representera mig, är ni snäll?

Most documents of this process are never translated and are in Portuguese.

Portugal tortured me so I will prosecute Portugal, but Portugal tortured

because the putative Republic of Ireland refuses to rescue me, so I will

also prosecute the putative Republic of Ireland. I did not find a Gaelic lawyer with spare capacity.

Evidence which I sent to the ECtHR includes documents in our language which you do not understand. Perhaps I must request a Gaelic lawyer to write for you and for the ECtHR a written statement in English or Swedish or Greek or Kurdish confirming to you that this evidence proves illegalities. Below is a draft . . .

I complain to the ECtHR about inter alia Article 3. I might instruct a lawyer overseas who already won about Article 3 at the ECtHR.

Such a lawyer of course does not understand Irish so can you provide affidavits and/or other proofs for this ECHR lawyer in English or Swedish or French or another language?

Please confirm that inter alia

I commenced to prosecute in Sweden when I did not have much money (because a defendant in Portugal refused to obey a Portuguese-court order to pay me much more money than our court cases will cost me), so I (unsuccessfully) applied for Swedish legal aid. This deprivation of legal aid and the withholding of informations about this inexistent legal aid are the topic of our administrative court case.

The first prosecution that I started in Sweden is against a crime. An expert confirms that that illegality against me is criminal. That crime in Sweden is by a criminal residing in Portugal. This application for legal aid is against that crime. An advocate in Sweden said that my representation for that criminal court case would be too expensive beyond the initial consultation (which I myself paid for), therefore he said that I must apply for this (inexistent) legal aid. This defendant in Portugal perpetrates much worse crimes (inter alia murders) against different victims in Portugal. Cf.

HUDOC berättar om T. Olsson i Stockholm. Är de den här samma personen? Yes.

Hej Clarence Crafoord!

Jag hade fallit offer för till exempel tortyr. Europarådets torturovervakningskomité besökte mig i två åren. The European Committee

for the Prevention of Torture and Inhuman or Degrading Treatment or

Punishment repeatedly criticises a defendant because it violated

Article 3 against me. These CPT reports can be downloaded from

<HTTPS://WWW.COE.int/en/web/cpt/portugal>

or from back-ups from

HTTPS://Gloucester.Insomnia247.NL/Feld_72_16042024/inte_bifogad_med_16042024_formular

I did not read this report in French:

HTTPS://Gloucester.Insomnia247.NL/Feld_72_16042024/inte_bifogad_med_16042024_formular

Jag kan betala. Vad är detaljerna av betalningarna (d v s IBAN och

SWIFT o s v)? I have now enough money to pay you in advance before the

end of the next week for the entire representations of all of our

court cases.

A defendant served on me a document on the 9th day of April of 2024

without a translation. It could be a final domestic decision. Vill du

en

översättning till svenska eller engelska eller . . .?

Jag vill till Strassburg klaga. Vill du representera mig, är ni snäll?

Most documents of this process are never translated and are in

Portuguese.

Portugal tortured me so I will prosecute Portugal, but Portugal

tortured

because the putative Republic of Ireland refuses to rescue me, so I

will

also prosecute the putative Republic of Ireland. I did not find a

Gaelic lawyer with spare capacity.

Evidence which I sent to the ECtHR includes documents in our language

which you do not understand. Perhaps I must request a Gaelic lawyer to

write for you and for the ECtHR a written statement in English or Swedish or . . . confirming to you that this evidence proves illegalities. Below is a draft . . .

I complain to the ECtHR about inter alia Article 3. I might instruct a lawyer overseas who already won about Article 3 at the ECtHR. Such a lawyer of course does not understand Irish so can you provide affidavits and/or other proofs for this ECHR lawyer in English or Swedish or . . . ?

Please confirm that inter alia

I commenced to prosecute in Sweden when I did not have much money (because a defendant in Portugal refused to obey a Portuguese-court order to pay me much more money than our court cases will cost me), so I (unsuccessfully) applied for Swedish legal aid. This deprivation of legal aid and the withholding of informations about this inexistent legal aid are the topic of our administrative court case.

The first prosecution that I started in Sweden is against a crime. An expert confirms that that illegality against me is criminal. That crime in Sweden is by a criminal residing in Portugal. This application for legal aid is against that crime. An advocate in Sweden said that my representation for that criminal court case would be too expensive beyond the initial consultation (which I myself paid for), therefore he said that I must apply for this (inexistent) legal aid. This defendant in Portugal perpetrates much worse crimes (inter alia murders) against different victims in Portugal. Cf.

Ich habe am 8.7.2024 um 10.38 Uhr Irlandszeit Advokat Jan Thörnhammar AB unter +46 (0) 70-5189059 angerufen.

Hej! Kan jag tala till Jan Thörnhammar, är ni snäll?

HUDOC berättar om T. Olsson i Stockholm. Är de den här samma personen?

"Ja."

Jag hade fallit offer för till exempel tortyr. Europarådets torturovervakningskomité besökte mig i två åren. Jag fick ett beslut i april. Can he represent me? "No actually not because I'm almost retired."

"I am on the golf course right now." - he will recommend to me 1 lawyer for both the ECtHR and Swedish administrative law - if I do not receive this recommendation then ask Thörnhammar again "tomorrow."

Do you work in administrative law?

At noon:38 Irish time on 08/07/2024 a lawyer rang me de 0046 70 46 16114. He may have said that Jan Thörnhammar asked him to ring me, which he did despite being on vacation. We spoke for circa 13 minutes - unfortunately I did not record an audio file.

I said that I want to sue Portugal not Sweden so he said "OK" so that he does not refuse to prosecute at the ECtHR when no defendant is Sweden.

He is on vacation to 19th August 2024 but he said that a Swedish administrative action does not need to be responded to in 3 weeks - he said instead that we can start it again.

He does not know whether a different lawyer - whom he recommends to me - is on vacation: namely Jan Södergren with telephone number 46 70 716 73 94 who rents a room de this lawyer who phoned me on 08/07/2024 and this room is next to this lawyer who phoned me on 08/07/2024.

I told him that Jan Södergren refuses to represent me on an administrative action so I asked for a recommendation about another lawyer, but he did not remember another lawyer to recommend off the top of his head.

A defendant served on me a document on the 9th day of April of 2024 without a translation. It could be a final domestic decision. Vill du en

översättning till svenska eller engelska eller . . .?

Jag vill till Strassburg klaga. Vill du representera mig, är ni snäll? Most documents of this process are never translated and are in Portuguese.

Portugal tortured me so I will prosecute Portugal, but Portugal tortured

because the putative Republic of Ireland refuses to rescue me, so I will

also prosecute the putative Republic of Ireland. I did not find a Gaelic lawyer with spare capacity.

Evidence which I sent to the ECtHR includes documents in our language which you do not understand. Perhaps I must request a Gaelic lawyer to

write for you and for the ECtHR a written statement in English or Swedish or . . . confirming to you that this evidence proves illegalities. Below is a draft . . .

I complain to the ECtHR about inter alia Article 3. I might instruct a lawyer overseas who already won about Article 3 at the ECtHR. Such a lawyer of course does not understand Irish so can you provide affidavits and/or other proofs for this ECHR lawyer in English or Swedish or . . . ?

I commenced to prosecute in Sweden when I did not have much money (because a defendant in Portugal refused to obey a Portuguese-court order to pay me much more money than our court cases will cost me), so I (unsuccessfully) applied for Swedish legal aid. This deprivation of legal aid and the withholding of informations about this inexistent legal aid are the topic of our administrative court case.

The first prosecution that I started in Sweden is against a crime. An expert confirms that that illegality against me is criminal. That crime in Sweden is by a criminal residing in Portugal. This application for legal aid is against that crime. An advocate in Sweden said that my representation for that criminal court case would be too expensive beyond the initial consultation (which I myself paid for), therefore he said that I must apply for this (inexistent) legal aid. This defendant in Portugal perpetrates much worse crimes (inter alia murders) against different victims in Portugal. Cf.

Hej Ulf Isaksson och Marta!
Jag hade fallit offer för till exempel tortyr. Europarådets
torturovervakningskomité besökte mig i två åren. The European

Committee for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment repeatedly criticises a defendant because it violated Article

3 against me. These CPT reports can be downloaded from

<https://www.coe.int/en/web/cpt/portugal>

or from back-ups from

https://gloucester.insomnia247.nl/Feld_72_16042024/inte_bifogad_med_16042024_formular

I did not read this report in French:

https://gloucester.insomnia247.nl/Feld_72_16042024/inte_bifogad_med_16042024_formular

Jag kan betala. Vad är detaljerna av betalningarna (d v s IBAN och SWIFT o s v)? I have now enough money to pay you in advance before the end of the next week for the entire representations of all of our court cases.

Läsa den lila delarna av Sidorna 1 och 15, är ni snäll!

A defendant served on me a document on the 9th day of April of 2024 without a translation. It could be a final domestic decision. Vill du en översättning till svenska eller engelska eller . . .?

Jag vill till Strassburg klaga. Vill du representera mig, är ni snäll?

Most documents of this process are never translated and are in Portuguese.

Portugal tortured me so I will prosecute Portugal, but Portugal tortured because the putative Republic of Ireland refuses to rescue me, so I will also prosecute the putative Republic of Ireland. I did not find a Gaelic lawyer with spare capacity.

Evidence which I sent to the ECtHR includes documents in our language which you do not understand. Perhaps I must request a Gaelic lawyer to write for you and for the ECtHR a written statement in English or Swedish or . . . confirming to you that this evidence proves illegalities. Below is a draft . . .

I complain to the ECtHR about inter alia Article 3. I might instruct a lawyer overseas who already won about Article 3 at the ECtHR.

Such a lawyer of course does not understand Irish so can you provide affidavits and/or other proofs for this ECHR lawyer in English or Swedish or . . .?

Please confirm that inter alia

I commenced to prosecute in Sweden when I did not have much money (because a defendant in Portugal refused to obey a Portuguese-court order to pay me much more money than our court cases will cost me), so I

(unsuccessfully) applied for Swedish legal aid. This deprivation of legal aid and the withholding of informations about this inexistent legal aid are the topic of our administrative court case.

The first prosecution that I started in Sweden is against a crime. An

expert confirms that that illegality against me is criminal. That crime in Sweden is by a criminal residing in Portugal. This application for legal aid is against that crime. An advocate in Sweden said that my representation for that criminal court case would be too expensive beyond the initial consultation (which I myself paid for), therefore he said that I must apply for this (inexistent) legal aid. This defendant in Portugal perpetrates much worse crimes (inter alia murders) against different victims in Portugal. Cf.

Hej!

Jag hade fallit offer för till exempel tortyr. Europarådets
torturovervakningskomité besökte mig i två åren. The European
Committee

for the Prevention of Torture and Inhuman or Degrading Treatment or
Punishment repeatedly criticises a defendant because it violated
Article 3 against me. These CPT reports can be downloaded from

or from back-ups from

HTTPS://Gloucester.Insomnia247.NL/Feld_72_16042024/inte_bifogad_med_16042024_formular

I did not read this report in French:

Jag kan betala. Vad är detaljerna av betalningarna (d v s IBAN och
SWIFT o s v)? I have now enough money to pay you in advance before the
end of the next week for the entire representations of all of our
court cases.

A defendant served on me a document on the 9th day of April of 2024
without a translation. It could be a final domestic decision. Vill du

översättning till svenska eller engelska eller . . .?

Jag vill till Strassburg klaga. Vill du representera mig, är ni snäll?
Most documents of this process are never translated and are in
Portuguese.

Portugal tortured me so I will prosecute Portugal, but Portugal
tortured

because the putative Republic of Ireland refuses to rescue me, so I
will

also prosecute the putative Republic of Ireland. I did not find a
Gaelic lawyer with spare capacity.

Evidence which I sent to the ECtHR includes documents in our language
which you do not understand. Perhaps I must request a Gaelic lawyer to

write for you and for the ECtHR a written statement in English or Swedish or . . . confirming to you that this evidence proves illegalities. Below is a draft . . .

I complain to the ECtHR about inter alia Article 3. I might instruct a lawyer overseas who already won about Article 3 at the ECtHR. Such a lawyer of course does not understand Irish so can you provide affidavits and/or other proofs for this ECHR lawyer in English or Swedish or . . . ?

I commenced to prosecute in Sweden when I did not have much money (because a defendant in Portugal refused to obey a Portuguese-court order to pay me much more money than our court cases will cost me), so I (unsuccessfully) applied for Swedish legal aid. This deprivation of legal aid and the withholding of informations about this inexistent legal aid are the topic of our administrative court case.

The first prosecution that I started in Sweden is against a crime. An expert confirms that that illegality against me is criminal. That crime in Sweden is by a criminal residing in Portugal. This application for legal aid is against that crime. An advocate in Sweden said that my representation for that criminal court case would be too expensive beyond the initial consultation (which I myself paid for), therefore he said that I must apply for this (inexistent) legal aid. This defendant in Portugal perpetrates much worse crimes (inter alia murders) against different victims in Portugal. Cf.

Hej!

Jag hade fallit offer för till exempel tortyr. Europarådets torturovervakningskomité besökte mig i två åren. The European Committee for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment repeatedly criticises a defendant because it violated Article

3 against me. These CPT reports can be downloaded from
<HTTPS://WWW.COE.int/en/web/cpt/portugal>
or from back-ups from

HTTPS://Gloucester.Insomnia247.NL/Feld_72_16042024/inte_bifogad_med_16042024_formular

I did not read this report in French:

HTTPS://Gloucester.Insomnia247.NL/Feld_72_16042024/inte_bifogad_med_16042024_formular

Jag kan betala. Vad är detaljerna av betalningarna (d v s IBAN och SWIFT o s v)? I have now enough money to pay you in advance before the end of the next week for the entire representations of all of our court cases.

A defendant served on me a document on the 9th day of April of 2024 without a translation. It could be a final domestic decision. Vill du en översättning till svenska eller engelska eller . . .?

Jag vill till Strassburg klaga. Vill du representera mig, är ni snäll?
Most documents of this process are never translated and are in Portuguese.

Portugal tortured me so I will prosecute Portugal, but Portugal tortured because the putative Republic of Ireland refuses to rescue me, so I will also prosecute the putative Republic of Ireland. I did not find a Gaelic lawyer with spare capacity.

Evidence which I sent to the ECtHR includes documents in our language which you do not understand. Perhaps I must request a Gaelic lawyer to write for you and for the ECtHR a written statement in English or Swedish or . . . confirming to you that this evidence proves illegalities. Below is a draft . . .

I complain to the ECtHR about inter alia Article 3. I might instruct a lawyer overseas who already won about Article 3 at the ECtHR.

Such a lawyer of course does not understand Irish so can you provide affidavits and/or other proofs for this ECHR lawyer in English or Swedish or . . .?

Please confirm that inter alia

I commenced to prosecute in Sweden when I did not have much money (because a defendant in Portugal refused to obey a Portuguese-court order to pay me much more money than our court cases will cost me), so I

(unsuccessfully) applied for Swedish legal aid. This deprivation of

2024-07-

legal aid and the withholding of informations about this inexistent legal aid are the topic of our administrative court case.

The first prosecution that I started in Sweden is against a crime. An expert confirms that that illegality against me is criminal. That crime in Sweden is by a criminal residing in Portugal. This application for legal aid is against that crime. An advocate in Sweden said that my representation for that criminal court case would be too expensive beyond the initial consultation (which I myself paid for), therefore he said that I must apply for this (inexistent) legal aid. This defendant in Portugal perpetrates much worse crimes (inter alia murders) against different victims in Portugal. Cf.

Hej!

Jag hade fallit offer för till exempel tortyr. Europarådets torturovervakningskomité besökte mig i två åren. The European Committee

for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment repeatedly criticises a defendant because it violated Article 3 against me. These CPT reports can be downloaded from <HTTPS://WWW.COE.int/en/web/cpt/portugal>

or from back-ups from

HTTPS://Gloucester.Insomnia247.NL/Feld_72_16042024/inte_bifogad_med_16042024_formular

I did not read this report in French:

Jag kan betala. Vad är detaljerna av betalningarna (d v s IBAN och SWIFT o s v)? I have now enough money to pay you in advance before the end of the next week for the entire representations of all of our court cases.

A defendant served on me a document on the 9th day of April of 2024 without a translation. It could be a final domestic decision. Vill du en

översättning till svenska eller engelska eller . . .?

Jag vill till Strassburg klaga. Vill du representera mig, är ni snäll?

Most documents of this process are never translated and are in Portuguese.

Portugal tortured me so I will prosecute Portugal, but Portugal tortured

because the putative Republic of Ireland refuses to rescue me, so I will

also prosecute the putative Republic of Ireland. I did not find a Gaelic lawyer with spare capacity.

Evidence which I sent to the ECtHR includes documents in our language which you do not understand. Perhaps I must request a Gaelic lawyer to

write for you and for the ECtHR a written statement in English or Swedish or . . . confirming to you that this evidence proves illegalities. Below is a draft . . .

I complain to the ECtHR about inter alia Article 3. I might instruct a lawyer overseas who already won about Article 3 at the ECtHR. Such a lawyer of course does not understand Irish so can you provide affidavits and/or other proofs for this ECHR lawyer in English or Swedish or . . . ?

I commenced to prosecute in Sweden when I did not have much money (because a defendant in Portugal refused to obey a Portuguese-court order to pay me much more money than our court cases will cost me), so I (unsuccessfully) applied for Swedish legal aid. This deprivation of legal aid and the withholding of informations about this inexistent legal aid are the topic of our administrative court case.

The first prosecution that I started in Sweden is against a crime. An expert confirms that that illegality against me is criminal. That crime in Sweden is by a criminal residing in Portugal. This application for legal aid is against that crime. An advocate in Sweden said that my representation for that criminal court case would be too expensive beyond the initial consultation (which I myself paid for), therefore he said that I must apply for this (inexistent) legal aid. This defendant in Portugal perpetrates much worse crimes (inter alia murders) against different victims in Portugal. Cf.

Hej!

Jag hade fallit offer för till exempel tortyr. Europarådets torturovervakningskomité besökte mig i två åren. The European Committee

for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment repeatedly criticises a defendant because it violated Article 3 against me. These CPT reports can be downloaded from <HTTPS://WWW.COE.int/en/web/cpt/portugal>

or from back-ups from

HTTPS://Gloucester.Insomnia247.NL/Feld_72_16042024/inte_bifogad_med_16042024_formular

I did not read this report in French:

Jag kan betala. Vad är detaljerna av betalningarna (d v s IBAN och SWIFT o s v)? I have now enough money to pay you in advance before the end of the next week for the entire representations of all of our court cases.

A defendant served on me a document on the 9th day of April of 2024 without a translation. It could be a final domestic decision. Vill du en

översättning till svenska eller engelska eller . . .?

Jag vill till Strassburg klaga. Vill du representera mig, är ni snäll?

Most documents of this process are never translated and are in Portuguese.

Portugal tortured me so I will prosecute Portugal, but Portugal tortured

because the putative Republic of Ireland refuses to rescue me, so I will

also prosecute the putative Republic of Ireland. I did not find a Gaelic lawyer with spare capacity.

Evidence which I sent to the ECtHR includes documents in our language which you do not understand. Perhaps I must request a Gaelic lawyer to

write for you and for the ECtHR a written statement in English or Swedish or . . . confirming to you that this evidence proves illegalities. Below is a draft . . .

I complain to the ECtHR about inter alia Article 3. I might instruct a lawyer overseas who already won about Article 3 at the ECtHR. Such a lawyer of course does not understand Irish so can you provide affidavits and/or other proofs for this ECHR lawyer in English or Swedish or . . . ?

I commenced to prosecute in Sweden when I did not have much money (because a defendant in Portugal refused to obey a Portuguese-court order to pay me much more money than our court cases will cost me), so I (unsuccessfully) applied for Swedish legal aid. This deprivation of legal aid and the withholding of informations about this inexistent legal aid are the topic of our administrative court case.

The first prosecution that I started in Sweden is against a crime. An expert confirms that that illegality against me is criminal. That crime in Sweden is by a criminal residing in Portugal. This application for legal aid is against that crime. An advocate in Sweden said that my representation for that criminal court case would be too expensive beyond the initial consultation (which I myself paid for), therefore he said that I must apply for this (inexistent) legal aid. This defendant in Portugal perpetrates much worse crimes (inter alia murders) against different victims in Portugal. Cf.

Hej!

Jag hade fallit offer för till exempel tortyr. Europarådets torturovervakningskomité besökte mig i två åren. The European Committee

for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment repeatedly criticises a defendant because it violated Article 3 against me. These CPT reports can be downloaded from <HTTPS://WWW.COE.int/en/web/cpt/portugal>

or from back-ups from

I did not read this report in French:

Jag kan betala. Vad är detaljerna av betalningarna (d v s IBAN och SWIFT o s v)? I have now enough money to pay you in advance before the end of the next week for the entire representations of all of our court cases.

A defendant served on me a document on the 9th day of April of 2024 without a translation. It could be a final domestic decision. Vill du en

översättning till svenska eller engelska eller . . .?

Jag vill till Strassburg klaga. Vill du representera mig, är ni snäll?

Most documents of this process are never translated and are in Portuguese.

Portugal tortured me so I will prosecute Portugal, but Portugal tortured

because the putative Republic of Ireland refuses to rescue me, so I will

also prosecute the putative Republic of Ireland. I did not find a Gaelic lawyer with spare capacity.

Evidence which I sent to the ECtHR includes documents in our language which you do not understand. Perhaps I must request a Gaelic lawyer to

write for you and for the ECtHR a written statement in English or Swedish or . . . confirming to you that this evidence proves illegalities. Below is a draft . . .

I complain to the ECtHR about inter alia Article 3. I might instruct a lawyer overseas who already won about Article 3 at the ECtHR. Such a lawyer of course does not understand Irish so can you provide affidavits and/or other proofs for this ECHR lawyer in English or Swedish or . . . ?

I commenced to prosecute in Sweden when I did not have much money (because a defendant in Portugal refused to obey a Portuguese-court order to pay me much more money than our court cases will cost me), so I (unsuccessfully) applied for Swedish legal aid. This deprivation of legal aid and the withholding of informations about this inexistent legal aid are the topic of our administrative court case.

The first prosecution that I started in Sweden is against a crime. An expert confirms that that illegality against me is criminal. That crime in Sweden is by a criminal residing in Portugal. This application for legal aid is against that crime. An advocate in Sweden said that my representation for that criminal court case would be too expensive beyond the initial consultation (which I myself paid for), therefore he said that I must apply for this (inexistent) legal aid. This defendant in Portugal perpetrates much worse crimes (inter alia murders) against different victims in Portugal. Cf.

YRKANDEN M.M.

Paul Colin Gloster överklagar kammarrättens avgörande.

SKÅLEN FÖR KAMMARRÄTTENS AVGÖRANDE

Ett överklagande ska komma in till kammarrätten inom tre veckor från den dag som den som klagat fick del av kammarrättens avgörande. Paul Colin Gloster har delgetts avgörandet genom förenklad delgivning. Delgivning ska då anses ha skett två veckor efter det att handlingen som ska delges skickades, se 26 § delgivningslagen (2010:1932).

Kammarrättens avgörande skickades med e-post den 7 juni 2024 och delgivning har därför skett den 21 juni 2024. Sista dag för att överklaga var den 12 juli 2024. Överklagandet kom in till kammarrätten den 15 juli 2024 och har alltså kommit in för sent. Överklagandet ska därför avvisas.

HUR MAN ÖVERKLAGAR, se bilaga A (KR-01).

SVERIGES DOMSTOLAR

Hur man överklagar

KR-01

Vill du att beslutet ska ändras i någon del kan du överklaga det till Högsta förvaltningsdomstolen. Överklagandet ska skickas till kammarrätten. Här får du veta hur det går till.

Överklaga skriftligt inom 3 veckor

Tiden räknas oftast från den dag som du fick del av det skriftliga beslutet.

I vissa fall räknas tiden i stället från beslutets datum. Det gäller om beslutet avkunnades vid en muntlig förhandling, eller om rätten vid förhandlingen gav besked om datum för beslutet.

För en part som företräder det allmänna (till exempel myndigheter) räknas tiden alltid från den dag domstolen meddelade beslutet.

Observera att överklagandet måste ha kommit in till domstolen senast den dag tiden går ut.

Vilken dag går tiden ut?

Sista dagen för överklagande är samma veckodag som tiden börjar räknas. Om du exempelvis fick del av beslutet måndagen den 2 mars går tiden ut måndagen den 23 mars.

Om sista dagen är en lördag, söndag eller helgdag, midsommarafton, julafton eller nyårsafton, räcker det att överklagandet kommer in nästa vardag.

Prövningstillstånd i Högsta förvaltningsdomstolen

Det krävs prövningstillstånd för att Högsta förvaltningsdomstolen ska pröva ett överklagande. Högsta förvaltningsdomstolen får meddela prövningstillstånd endast om

1. det är av vikt för ledning av rätts-tillämpningen att överklagandet prövas, eller
2. det finns synnerliga skäl till sådan prövning, så som att det finns grund för resning eller

att målets utgång i kammarrätten uppenbarligen beror på grovt förbiseende eller grovt misstag.

Om du *inte* får prövningstillstånd gäller kammarrättens beslut. Det är därför viktigt att du i överklagandet tar med allt som du vill föra fram.

Så här gör du

1. Skriv kammarrättens namn, målnummer och beslutsdatum.
2. Förklara vilken ändring du vill ha och varför du tycker att beslutet ska ändras.
3. Förklara varför du anser att Högsta förvaltningsdomstolen ska ta upp ditt överklagande (läs mer om prövningstillstånd ovan).
4. Tala om vilka bevis du vill hänvisa till. Förklara vad du vill visa med varje bevis. Bifoga de skriftliga bevis du hänvisar till om de inte redan finns i målet.
5. Lämna namn och personnummer eller organisationsnummer. Lämna aktuella och fullständiga uppgifter om hur domstolen kan nå dig: e-postadresser, postadresser, och telefonnummer. Om du har ett ombud, lämna också ombudets kontaktuppgifter.
6. Skicka eller lämna in överklagandet till kammarrätten. Du hittar adressen i beslutet.

Vad händer sedan?

Kammarrätten kontrollerar att överklagandet har kommit in i rätt tid. Har det kommit in för sent avvisar domstolen överklagandet, och då står kammarrättens beslut fast.

Om överklagandet har kommit in i rätt tid, skickar kammarrätten överklagandet och alla handlingar i målet vidare till Högsta förvaltningsdomstolen.

Har du tidigare fått handlingar med förenklad delgivning kan även Högsta förvaltningsdomstolen skicka handlingar på detta sätt.

Vill du veta mer?

Ta kontakt med kammarrätten om du har frågor. Adress och telefonnummer hittar du på första sidan i beslutet.

Mer information finns på www.domstol.se.

I phoned Pure Telecom on 1800 844 023 on Monday 22/07/2024 at noon:11:
"no loss of service"

Pure Telecom may need 7 days before it will be able to give me the Internet.

Pure Telecom may need 2-3 days before it shall be able to give me a telephone service.

If I request to transfer my telephone service to Pure Telecom As Soon As Possible then such a transfer might be accomplished in 24 hours so Gary said that I must ring Pure Telecom's customer-care care-order update-orders' team 1 hour after an email de Pure Telecom.

Gary said that to show the UAN(s) (Universal Account Number(s)) on the invoices (which Digiweb does not do) is "a legal requirement" so he ordered me to order Digiweb to say it or them (all the information that I need to change broadband and telephone services) over the phone right now.

So at noon:22 I rang 1902 de Digiweb so I spoke to customer-care lady Avril who transferred me to Luke de Digiweb's sales'-and-cancellation team. Digiweb has only 1 UAN for me. My UAN is 74595551. We are a client de Digiweb for 14 years. Luke agrees to s subject access request de myself for all the invoices. Digiweb will email them to me. I phoned Pure Telecom at noon:32: a lady said that Gary was on a call and that he will phone me back.

At noon:34 Gary de Pure Telecom phoned me.

"Perfect." said Gary about my Universal Account Number.

35 Euro per month (plus maybe extra depending on telephone calls which I make).

He transferred this call to verification-team worker Mairéad.

Such a conversation is recorded.

12-month contract for 35 Euro per month.

On expiry (since the 13th month) 50 Euro per month but normally a client would switch to a different contract.

Pure Telecom is "in no way affiltated with Eircom".

These Direct Debits usually (e.g. when not on a weekend) become paid 10 days after the date of the invoice.

"welcome letter by email" arsa Mairéad.

Margaret said that I am allowed 14 days to decide to not proceed to Pure Telecom.

I phoned Pure Telecom on 1800 844 023 on Monday 22/07/2024 at 1:54p.m. to talk to its customer-care care-order update-orders' team. James said that Pure Telecom "We'll do our best" to switch my telephone services to Pure Telecom 24 hours AFTER connecting the Internet even though I emphasised that it is a telephone service which is urgent. He said that Pure Telecom would connect the Internet at the earliest on Wednesday morning so that Pure Telecom would provide me with a telephone service at the earliest on Thursday.

Jag vill till Strassburg klaga. Vill du representera mig, är ni snäll?

Most documents of this process are never translated and are in Portuguese.

Portugal tortured me so I will prosecute Portugal, but Portugal tortured

because the putative Republic of Ireland refuses to rescue me, so I will

also prosecute the putative Republic of Ireland. I did not find a Gaelic lawyer with spare capacity.

Evidence which I sent to the ECtHR includes documents in our language

which you do not understand. Perhaps I must request a Gaelic lawyer to write for you and for the ECtHR a written statement in English or Swedish or . . . confirming to you that this evidence proves illegalities. Below is a draft . . .

I complain to the ECtHR about inter alia Article 3. I might instruct a lawyer overseas who already won about Article 3 at the ECtHR. Such a lawyer of course does not understand Irish so can you provide affidavits and/or other proofs for this ECHR lawyer in English or Swedish or . . . ?

I commenced to prosecute in Sweden when I did not have much money

(because a defendant in Portugal refused to obey a Portuguese-court

order to pay me much more money than our court cases will cost me), so

I (unsuccessfully) applied for Swedish legal aid. This deprivation of

legal aid and the withholding of informations about this inexistent

legal aid are the topic of our administrative court case.

The first prosecution that I started in Sweden is against a crime. An

expert confirms that that illegality against me is criminal. That

crime in Sweden is by a criminal residing in Portugal. This

application for legal aid is against that crime. An advocate in Sweden

said that my representation for that criminal court case would be too

expensive beyond the initial consultation (which I myself paid for),

therefore he said that I must apply for this (inexistent) legal aid.

This defendant in Portugal perpetrates much worse crimes (inter alia

murders) against different victims in Portugal. Cf.

Hej!
Jag hade fallit offer för till exempel tortyr. Europarådets

torturovervåkningskomité besökte mig i två åren. The European Committee

for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment repeatedly criticises a defendant because it violated Article

3 against me. These CPT reports can be downloaded from

Jag är född 1980-07-03.

I did not read this report in French:

Jag kan betala. Vad är detaljerna av betalningarna (d v s IBAN och

the next week for the entire representations of all of our court cases.

Läsa den lila delarna av Sidorna 1 och 15, är ni snäll!

A defendant served on me a document on the 9th day of April of 2024 without a translation. It could be a final domestic decision. Vill du en

Översättning till svenska eller engelska eller . . .?

Jag vill till Strassburg klaga. Vill du representera mig, är ni snäll?

Most documents of this process are never translated and are in Portuguese.

Portugal tortured me so I will prosecute Portugal, but Portugal tortured

because the putative Republic of Ireland refuses to rescue me, so I will

also prosecute the putative Republic of Ireland. I did not find a Gaelic

lawyer with spare capacity.

Evidence which I sent to the ECtHR includes documents in our language which you do not understand. Perhaps I must request a Gaelic lawyer to write for you and for the ECtHR a written statement in English or Swedish or . . . confirming to you that this evidence proves illegalities. Below is a draft . . .

I complain to the ECtHR about inter alia Article 3. I might instruct a lawyer overseas who already won about Article 3 at the ECtHR.

Such a lawyer of course does not understand Irish so can you provide affidavits and/or other proofs for this ECHR lawyer in English or Swedish or . . .?

I commenced to prosecute in Sweden when I did not have much money (because a defendant in Portugal refused to obey a Portuguese-court order to pay me much more money than our court cases will cost me), so I

(unsuccessfully) applied for Swedish legal aid. This deprivation of legal aid and the withholding of informations about this inexistent legal aid are the topic of our administrative court case.

The first prosecution that I started in Sweden is against a crime. An expert confirms that that illegality against me is criminal. That crime

in Sweden is by a criminal residing in Portugal. This application for legal aid is against that crime. An advocate in Sweden said that my representation for that criminal court case would be too expensive beyond the initial consultation (which I myself paid for), therefore he

said that I must apply for this (inexistent) legal aid.

This defendant in Portugal perpetrates much worse crimes (inter alia murders) against different victims in Portugal. Cf.

ALLMÄNNA VILLKOR

Uppdaterade januari 2024

1. AVTALETS TILLÄMPNINGSSOMRÅDE

1.1. Dessa allmänna villkor reglerar alla tjänster som Skandinaviska Människorättsadvokaterna tillhandahåller för våra Klienter och alla avtalsförhållanden mellan oss. Om inte annat skriftligen avtalas anses Klienten ha accepterat dessa allmänna villkor. De allmänna villkoren utgör tillsammans med ett uppdragsavtal eller e-post alternativt muntlig överenskommelse, avtalet mellan oss. De allmänna villkoren gäller även för eventuella ytterligare tjänster eller uppdrag som tillhandahålls, om inte annat har avtalats.

2. UPPDRAGET OCH KOMMUNIKATION

2.1 För varje uppdrag finns en uppdragsansvarig advokat/jurist. Uppdragsansvarig advokat/jurist har full handlingsfrihet att internt utse de advokater/jurister eller andra medarbetare som denne bedömer bör hantera uppdraget.

2.2. Uppdrag kan lämnas muntligen eller skriftligen, inklusive via e-post. Människorättsadvokaterna utgår från att anvisade kontaktpersoner har fullmakt och är behöriga att lämna de instruktioner som advokatbyrån får under ärendets gång. Detta gäller även om skriftlig fullmakt eller annan dokumentation som utvisar behörighet inte har uppvisats. Huvudregel är att fullmakt för kontaktperson eller ombud skall uppvisas vid uppdragets ingående.

2.3 Elektronisk kommunikation är en förutsättning för att Människorättsadvokaterna ska kunna tillhandahålla juridiska tjänster. Genom att Klienten gör en förfrågan om tjänster hos byrån samtycker Klienten till att byråns personal kontaktar denne via e-post.

2.4 Klienten är skyldig att omgående, dock senast en vecka efter mottagandet av uppdragsavtalet eller annan bekräftelse av uppdraget, reklamera avtalet om det i något avseende avviker från vad som överenskommits mellan parterna.

2.5 Om Klienten inte lämnat Människorättsadvokaterna andra instruktioner får advokatbyrån kommunicera med Klienten via e-post. Människorättsadvokaterna åtar sig inget ansvar för eventuella risker ur säkerhets- och sekretessynpunkt i detta hänseende. Människorättsadvokaternas spam- och virusfilter kan ibland avvisa eller filtrera bort e-post och Klienten bör således följa upp viktig e-post till Människorättsadvokaterna via telefon eller på annat lämpligt sätt.

3. ARVODEN

3.1 ARVODESDEBITERING M.M.

3.1.1 Undantaget uppdrag med fast pris gäller för löpande arvodesdebitering av juridiska tjänster följande. För juridiska tjänster uttages enligt allmän praxis skäligt arvode samt ersättning för gjorda utlägg, logi och tidsspillan. Varje påbörjad kvart debiteras. Det inkluderar kommunikation både via telefon och e-post. Arvodets storlek grundas på det arbete som uppdraget krävt, tidspress, tidsåtgång, ärendets svårighetsgrad, samt i viss mån ärendets omfattning. Alla arvodesbelopp anges inklusive moms till privatpersoner, exklusive moms vid företags- eller andra klienter. Människorättsadvokaterna äger rätt att fakturera klienten ett schabloniserat mindre belopp för kostnader för exempelvis kopiering och kontorsmaterial.

3.1.2 Om inget annat särskilt avtalats gäller våra standardtimarvoden. Våra timarvoden är föremål för översyn med jämna mellanrum, och justeras alltid vid årsskiftet. Eventuella arvodesuppskattningar är endast vägledande och det slutliga arvodet kan skilja sig från uppskattningen. Om ett fast arvode har avtalats och omfattningen av uppdraget därefter ökar beräknas den ytterligare arbetsinsatsen enligt våra standardtimarvoden.

3.1.3 Människorättsadvokaterna tillämpar som standard en betalningstid om tio eller tjugo dagar räknat från fakturadatum. Vid förskottsbetalning till klientmedelskonto gäller omgående betalning.

3.1.4 Vid oförmåga att betala hela fakturans belopp inom given betalningstid, finns möjlighet till överenskommelse om avbetalningsplan.

3.1.5 Om Klienten förlorar en rättsprocess i domstol är Klienten ansvarig för betalning av motpartens rättegångskostnader i den mån detta inte täcks av gällande rättskyddsförsäkring (se vidare nedan).

3.2 DELFAKTURERING, A CONTO OCH FÖRSKOTTSBETALNING

3.2.1 Arvode debiteras genom delfaktura, a conto-faktura eller fakturering efter avslutat uppdrag.

3.2.2 Med delfakturering avses debitering av slutligt arvode för del av Skandinaviska Människorättsadvokaternas arbete som kan hänföras till viss period eller visst arbetsmoment.

3.2.3 Med fakturering av conto avses debitering av del av det totala arvudet utan bestämd anknytning till viss del av arbetet. A conto faktura utfärdas månadsvis, om inte annat särskilt avtalats. Debitering av arvode a conto redovisas i slutfaktura.

3.2.4 Skandinaviska Människorättsadvokaterna kan begära förskott på arvudet eller förskott för att betala utlägg. Förskott utgör klientmedel. Vid arvodesbetalning från klientmedelskonto tillställs faktura som redovisar betalningen.

3.2.5 När ett uppdrag slutförts eller upphört på annat sätt kommer slutfaktura tillställas klienten om inte endast delfakturering tillämpats.

3.2.6 Om inget annat angivits i kommunikationen med Skandinaviska Människorättsadvokaterna, tillämpas delfaktureringsprincipen.

3.3 DRÖJSMÅL MED BETALNING OCH DRÖJSMÅLSRÄNTA

Vid dröjsmål med betalning äger Människorättsadvokaterna rätt att erhålla dröjsmålsränta enligt lag. Vid utebliven betalning kommer inkassoåtgärder att vidtagas genom betalningsföreläggande vid Kronofogdemyndigheten.

3.4 RÄTTSSKYDD OCH RÄTTSHJÄLP

3.4.1 För undersökande av möjlighet att erhålla rättsskydd åligger det Klienten att informera Människorättsadvokaterna om försäkring finns att tillgå. I det fall försäkring finns att tillgå åtar sig Människorättsadvokaterna att ansöka om rättsskydd för Klientens räkning hos dennes försäkringsbolag.

3.4.2 Vid fall klientens rättsskyddsförsäkring tagits i anspråk utgör dess ersättningsnivå och policy för utbetalning ej begränsning för advokatbyrån att debitera klienten överenskommet arvode även om det beviljade rättsskyddet endast täcker en timkostnad motsvarande rättshjälpsnormen eller annat belopp understigande överenskommet timarvode. Försäkringen ersätter oftast inte mervärdesskatt och har normalt en betydande självrisk och en högsta ersättning och dessutom understiger regelmässigt den timersättning som kan komma att erhållas genom rättsskyddsförsäkringen det arvode som kommer debiteras. I den mån försäkringsbolaget inte ersätter Klienten fullt ut enligt den uppskattade beräkningen är Klienten skyldig att betala mellanskillnaden. Om Klienten förlorar en rättsprocess i domstol är Klienten ansvarig för betalning av motpartens rättegångskostnader i den mån dessa inte ersätts genom rättsskyddet. Det försäkringsskydd som Klienten erhållit från sitt försäkringsbolag är ett avtal mellan Klienten och försäkringsbolaget.

3.4.3 I vissa fall kan Klient, som anlitar Människorättsadvokaterna som privatperson, ha rätt till allmän rättshjälp. I sådana fall gäller den allmänna rättshjälpstaxan.

3.4.4 Vid allmän rättshjälp utgår inte ersättning för motpartens rättegångskostnader för det fall att Klienten förlorar. Om Klienten förlorar en rättsprocess i domstol är Klienten ansvarig för betalning av motpartens rättegångskostnader såvida inte vardera part står sina egna kostnader i målet.

Klienten har rätt att få felaktiga uppgifter rättade och kompletterade och i vissa fall raderade, om de inte längre är nödvändiga för det ändamål som de samlades in. Människorättsadvokaterna gallrar generellt behandlade personuppgifter efter tio år från kontakten eller ärendets slutförande, men behandlingstiden kan variera beroende på ärendets natur. 5. INHÄMTANDE AV UNDERLAG FÖR EKONOMISK BEDÖMNING

5.1 Klienten är medveten om att Människorättsadvokaterna kan komma att ta kreditupplysning.

6. FÖRTIDA UPPHÖRANDE

6.1 Klienten äger rätten att utan att ange skäl säga upp avtalet. Människorättsadvokaterna äger därvid rätt att erhålla ersättning för utfört arbete och nedlagda kostnader fram till tidpunkten för mottagandet av uppsägningen. Vid arvodesbetalning från klientmedelskonto av inbetalt förskott tillställs Klienten faktura som redovisar betalningen vid uppdragets avslutande. Människorättsadvokaterna äger rätt att säga upp avtalet för det fall Klienten inte fullgör sina åtaganden enligt lag eller avtal, vid utebliven betalning, om förtroendet mellan Klienten och Människorättsadvokaterna inte längre föreligger eller om Klienten på annat sätt kräver sådan förändring av uppdragets karaktär som ej är förenlig med Människorättsadvokaternas åtaganden.

8. MÄNSKLIGA RÄTTIGHETER

8.1 Vi arbetar aktivt för att främja, stödja och respektera internationella mänskliga rättigheter. Vi förväntar oss att alla våra intressenter, inklusive våra Klienter, respekterar de mänskliga rättigheterna i utövandet av sina aktiviteter och i sin affärsverksamhet. Om Klienten uppmärksammar negativ inverkan på mänskliga rättigheter som kan ha orsakats helt eller delvis av Klientens affärsverksamhet och som har ett direkt samband med tjänsterna skall Klienten meddela Människorättsadvokaterna detta.

9. IMMATERIELLA RÄTTIGHETER

9.1 Upphovsrätt och andra immateriella rättigheter till Människorättsadvokaternas arbetsresultat tillhör advokatbyrån och Klienten har således endast rätt att använda dem för det syfte de skapats. I avsaknad av överenskommelse därom får dokument eller annat arbetsresultat inte ges allmän spridning eller användas för marknadsföringsändamål.

10. GENERELLA BESTÄMMELSER

10.1 Svensk rätt är gällande vid uppdragsavtalet och svensk domstol skall pröva eventuella tvister som kan uppstå på grund av eller i samband med detta avtal. Människorättsadvokaterna kan inte hållas ansvariga om vi inte kan utföra de avtalade tjänsterna till följd av en omständighet som är utom vår rimliga kontroll.

11. KONSUMENTTVISTNÄMNDEN

11.1 Advokatsamfundets Konsumenttvistnämnd prövar arvodetvister eller andra krav som en konsument riktar mot advokat eller advokatbyrå med anledning av en advokattjänst. Konsument är i detta sammanhang en fysisk person, som handlar för ändamål som faller utanför den egna närings- eller yrkesverksamheten. En advokattjänst innebär en tjänst som utförts av advokat eller biträdande jurist på en advokatbyrå inom ramen för deras advokatverksamhet.

11.2 För att kunna vända sig till Konsumenttvistnämnden måste du först ha försökt uppnå en lösning i samförstånd med advokaten. Kravet får inte understiga 1 000 kr och får inte överstiga 200 000 kr. Mer information finns på <https://www.advokatsamfundet.se/konsumenttvistnamnden/>.

12.2 Tvister med anledning av det uppdrag som Människorättsadvokaterna utfört ska prövas av allmän domstol. Varför? You represent victims to the Council of Europe and to the

Hello Nicolas,

We are experts in international human rights law. However, the legal counsel has to be able to argue aspects of the national law, in this case Portugues, which we are not able to do.

We are, however, able to offer counsel regarding the matter concerning the Swedish agency IMY. If you wish to book an appointment, we require payment in advance. We charge 1914 sek per hour, which would mean that we need an advance payment of 9579 sek.

Please return to me with your phone number and home address if you wish to proceed.

Hej Nicholas,

Tack för att du hörde av dig till Centrum för rättvisa. Vi har tagit del av det underlag som du har skickat in till oss och vårt team har gjort bedömningen att vi tyvärr inte kan engagera oss i ditt ärende.

Centrum för rättvisa är en ideell verksamhet med begränsade resurser. Det innebär att vi måste tacka nej till många förfrågningar.

På grund av det stora antalet ärenden som vi får in har vi inte möjlighet att ge motivering i enskilda ärenden.

At noon:38 Irish time on 08/07/2024 a lawyer rang me de 0046 70 46 16114. He may have said that Jan Thörnhammar asked him to ring me, which he did despite being on vacation. We spoke for circa 13 minutes - unfortunately I did not record an audio file.

I said that I want to sue Portugal not Sweden so he said "OK" so that he does not refuse to prosecute at the ECtHR when no defendant is Sweden.

He is on vacation to 19th August 2024 but he said that a Swedish administrative action does not need to be responded to in 3 weeks - he said instead that we can start it again.

He does not know whether a different lawyer - whom he recommends to me - is on vacation: namely Jan Södergren with telephone number 46 70 716 73 94 who rents a room de this lawyer who phoned me on 08/07/2024 and this room is next to this lawyer who phoned me on 08/07/2024.

I told him that Jan Södergren refuses to represent me on an administrative action so I asked for a recommendation about another lawyer, but he did not remember another lawyer to recommend off the top of his head.

Hej Paul,
Tack för återkoppling.
Som sagt hjälper vi gärna dig med rådgivning avseende IMY, men vi kan tyvärr inte erbjuda rådgivning avseende ditt ärende mot den portugisiska staten.
För att börja arbeta med ditt ärende behöver vi först erhålla en förskottsbetalning på 5 timmar x 1914 = 9570 kr. Inbetalning sker med förskott till klientmedelskontot: BG 188-7793 Handelsbanken. Du får gärna skicka kvitto när betalningen är genomförd. Vi fakturerar kontot när vi utför arbetet. Ange gärna klientnummer 3509 vid inbetalning. För arbete som överstiger inbetalt förskott gäller löpande kostnad. Vi förbehåller oss rätten att begära ytterligare ersättning per påbörjad kvart enligt våra villkor.
Vi behöver också erhålla en ombudsfullmakt för att påbörja vårt arbete. Jag bifogar en sådan i mejlet. Den måste signeras för hand och sedan skickas till oss via mejl som en bild/pdf. Originalet måste postas till vårt kontor i Uppsala.
När vi har fått kvitto på förskottsbetalningen samt ombudsfullmakten kan vi kolla på datum och tider för ett rådgivningsmöte.
Du får gärna höra av dig om du har fler frågor,

Hej Paul,
Jag ber om ursäkt för sent svar. Jag skulle ta ditt ärende vidare till
mina kollegor för att se vem som eventuellt kan erbjuda ett
rådgivningsmöte, men lyckades inte hitta exakt vad du önskar
rådgivning kring. Mina kollegor har redan informerat om att vi inte
kan bistå dig i processer mot någon annan stat än Sverige. Jag förstod
det som att du även ville ha rådgivning kring IMY. Har du möjlighet
att formulera vilka frågor/vilken situation du önskar diskutera under
ett rådgivningsmöte så att jag vet vilken jurist som skulle passa bäst
för detta ärende?

Hej,

Jag lyckads öppna PDF-filen och förstår det som att det gäller behandling av personuppgifter och att du är kritisk till en advokatbyrås samt IMY:s hantering av dina personuppgifter. Det är dock fortsatt inte tydligt för mig vad du önskar rådgivning kring. Finns det en pågående process eller önskar du starta en process, i så fall mot vem och varför? Jag får be dig att formulera det kortfattat i ett mail till mig så att jag förstår och kan ta din förfrågan vidare, annars måste vi tyvärr avböja redan nu.

Hej!

"Finns det en pågående process"? Den här frågan är dock precis om mitt klagomål till IMY:n! Jag hade betalat Advokatlaget AB året 2022 men jag väntar dock på besked från Advokatlaget AB alltjämt. Varför? Jag vet inte, därför jag frågar. Advokatlaget AB svarar inte, därför jag skickade ett klagomål till IMY:n. IMY:n vill inte hjälpa mig.

Hej,

Jag förstår. Vi kan boka in ett rådgivningsmöte så kan du berätta under mötet vad du önskar hjälp med. Min kollega har sedan tidigare informerat om att vi behöver erhålla en förskottsbetalning på 5 timmar x 1914 kr = 9570 kr inkl. moms. Ange klientnummer 3509 vid inbetalning. Skicka sedan kvitto på att betalningen genomförts så återkommer vi med tid för mötet. Vi debiterar för all tid inkl. kommunikation per påbörjad kvart enligt våra allmänna villkor, se bifogade igen.

Vänligen notera att mötet enbart gäller frågor om svensk rätt och avser processen som du haft vid IMY, samt därtill hörande handlingar.

Jag bifogar även uppgifter för internationell betalning.

Med vänlig hälsning / Best regards,

Matilda Frimodig

Hej,
Jag förstår. Vi kan boka in ett rådgivningsmöte så kan du berätta
under mötet vad du önskar hjälp med. Min kollega har sedan tidigare
informerat om att vi behöver erhålla en förskottsbetalning på 5 timmar
x 1914 kr = 9570 kr inkl. moms. Ange klientnummer 3509 vid
inbetalning. Skicka sedan kvitto på att betalningen genomförts så
återkommer vi med tid för mötet. Vi debiterar för all tid inkl.
kommunikation per påbörjad kvart enligt våra allmänna villkor, se
bifogade igen.
Vänligen notera att mötet enbart gäller frågor om svensk rätt och
avser processen som du haft vid IMY, samt därtill hörande handlingar.
Jag bifogar även uppgifter för internationell betalning.
Med vänlig hälsning / Best regards,
Matilda Frimodig

"Jag lyckads öppna PDF-filen och förstår det som att det gäller behandling av personuppgifter och att du är kritisk till en advokatbyrås samt IMY:s hantering av dina personuppgifter. Det är dock fortsatt inte tydligt för mig vad du önskar rådgivning kring. Finns det en pågående process eller önskar du starta en process, i så fall mot vem och varför?"

Hej!

"Finns det en pågående process"? Den här frågan är dock precis om mitt klagomål till IMY:n! Jag hade betalat Advokatlaget AB året 2022 men jag väntar dock på besked från Advokatlaget AB alltså. Varför? Jag vet inte, därför jag frågar. Advokatlaget AB svarar inte, därför jag skickade ett klagomål till IMY:n. IMY:n vill inte hjälpa mig.

Hej,

Jag förstår. Vi kan boka in ett rådgivningsmöte så kan du berätta under mötet vad du önskar hjälp med. Min kollega har sedan tidigare informerat om att vi behöver erhålla en förskottsbetalning på 5 timmar x 1914 kr = 9570 kr inkl. moms. Ange klientnummer 3509 vid inbetalning. Skicka sedan kvitto på att betalningen genomförts så återkommer vi med tid för mötet. Vi debiterar för all tid inkl. kommunikation per påbörjad kvart enligt våra allmänna villkor, se bifogade igen.

Vänligen notera att mötet enbart gäller frågor om svensk rätt och avser processen som du haft vid IMY, samt därtill hörande handlingar. Jag bifogar även uppgifter för internationell betalning.

Med vänlig hälsning / Best regards,

Matilda Frimodig

"Jag lyckads öppna PDF-filen och förstår det som att det gäller behandling av personuppgifter och att du är kritisk till en advokatbyrås samt IMY:s hantering av dina personuppgifter. Det är dock fortsatt inte tydligt för mig vad du önskar rådgivning kring. Finns det en pågående process eller önskar du starta en process, i så fall mot vem och varför?"

Hej!

"Finns det en pågående process"? Den här frågan är dock precis om mitt klagomål till IMY:n! Jag hade betalat Advokatlaget AB året 2022 men jag väntar dock på besked från Advokatlaget AB alltjämt. Varför? Jag vet inte, därför jag frågar. Advokatlaget AB svarar inte, därför jag skickade ett klagomål till IMY:n. IMY:n vill inte hjälpa mig.

D v s att jag fråga Skandinaviska Människorättsadvokaterna AB om
Skandinaviska Människorättsadvokaterna AB kan:

Jag heter alltid sak samma. De här innevarande versionen är Paul Colin Gloster. Den här banken (och flera banker) och jag använder en annan version också. Jag tänker om att ersätta versionen på det här kontot snart.
Jag hade skrivit bara en version till Umeå universitet och Luleå tekniska universitet. Umeå universitet hade beslutat att använda en version när Luleå tekniska universitet hade beslutat att använda en olik version.
Jag hade använt bara en version till Nordea Bank när en herr vid Nordea hade beslutat att använda en olik version, därmed en dam vid Nordea har stirrat på den där samma legitimationen, därmed "Finns ett problem?" har jag frågat.
En svensk studentkår begriper inte mitt namn, därmed en svensk studentkår hade dukat upp ett stavfel.

Rebecca Ahlstrand telephoned me de 00 46 18 - 750 52 13 at noon Gaelic time on 23/09/2024 and she stopped this conversation at 1p.m. Gaelic time.

"Rebecca" is an "attorney in Sweden".

Rebecca Ahlstrand said that I gave her a "very good résumé" about this problem.

Rebecca Ahlstrand said that I myself can complain to "the Bar Association" against Advokatlaget AB.

Rebecca Ahlstrand said that I myself can complain to an enforcement authority to get money back which I myself paid over Advokatlaget AB.

This enforcement authority is called "Kronofogden" in Swedish:

[HTTPS://Kronofogden.Se/du-har-ett-krav-mot-nagon/du-vill-fa-ditt-krav-faststallt/du-vill-fa-betalt](https://Kronofogden.Se/du-har-ett-krav-mot-nagon/du-vill-fa-ditt-krav-faststallt/du-vill-fa-betalt)

"this is my advice to you - I can't go further than that."

Rebecca Ahlstrand said that she is sorry but I have personally to make this complaint to the Bar Association. Rebecca Ahlstrand said that I paid her firm for counselling instead de representing.

"only counselling at this point" - She refuses to explain why her firm does not represent me. She said that a firm is allowed many reasons to not represent a party.

I am welcome to make a request later for a representation.

"There's many lawyers out there"

"the recommendation from us" is to complain myself.

"Time is coming to an end." said Rebecca Ahlstrand herself.

"coming towards the end here." said Rebecca Ahlstrand herself.

"either you have to turn to another lawyer or [represent myself]" said Rebecca Ahlstrand.

Rebecca Ahlstrand said that she will send informations to me about how she recommends myself to represent myself.

Hej Paul,

Tack för rådgivningsmötet. Som jag bland annat nämnde kan du vända dig till Kronofogden (Swedish Enforcement Agency) inte anser att du fått det du betalat för, eller Advokatsamfundet (Swedish Bar Association) med dina klagomål som gäller advokat:

Om du inte har fått pengar tillbaka som du anser är dina, kan du ev. ansöka om betalningsföreläggande hos den svenska Kronofogden:
<https://kronofogden.se/du-har-ett-krav-mot-nagon/du-vill-fa-ditt-krav-faststallt/du-vill-fa-betalt>

Om en advokatbyrå inte lämnar tillbaka pengar som du har rätt att få tillbaka, eller du inte får uppgifter om personuppgifter som du efterfrågat, eller om du inte få kontakt med din advokat kan du även vända sig till Advokatsamfundet genom att anmäla advokaten och beskriva ditt ärende:
