Mister John Swinney,  
**17 - 19 Leslie Street,**  
**Blairgowrie PH10 6AH.**

Dear Mister John Sweeney,

**concerning a Shetland island; space; the Court of Session; and Helen McEntee**

### Space

I was at a space school with a student who at that time used to reside in a Shetland island.

The chief executive officer and a co-founder of an English space company which is involved with a Shetland space company was a guest in the apartment which I used to rent when he visited the European Space Agency in 2005. I wrote to him: “*Gun soirbhich cùisean leat 's le h-Albain! Go n-éirí a turas le h-Albain!*”

I have a degree in space engineering. I am an ex-employee de eg the European Space Agency.

### The Court of Session

I complain to our family to Scotland like: the Court of Session does not yet inform me de a case reference after many years. Scotland is in a race with Ireland to be Paddy last.

Many solicitors in Scotland whom I attempted to instruct never answer. An example exception is Halliday Campbell WS, Solicitors. “Partly due to pressure of existing business, I am afraid that we will not be able to accept your instructions.” said Halliday Campbell WS, Solicitors on 06/04/2023. I am sending a copy de this letter to this law firm hoping that it might have capacity to represent me.

### Ms. Helen McEntee as an ex-minister for justice and an ex-minister of State at a department of foreign affairs

“1. The Irish justice system is fundamentally flawed, illusory and inconsistent, and is generally ‘unfit for purpose’.

2. The publicly-stated aims, goals and objectives of the Dept. [i.e. Department i.e. Ministry] of Justice are NOT to be believed or trusted.

Helen McEntee is or used to be employed as inter alia: “Period:

Like the Court of Session, this High Court never issues a record number about me to me even though I sue at it since years ago. I am sending a copy de this letter to the European Committee for the Prevention of Torture as all de my court cases in the British Isles are consequences de becoming tortured in 2013.

“18<sup>th</sup> and 17<sup>th</sup> and 16<sup>th</sup> and 15<sup>th</sup> November 2024 and 6<sup>th</sup> October 2024

Dear Ms. Sharon Tolan and a secretary for Helen McEntee,

A lady for Fine Gael visited me shortly before 3:55p.m. on 18<sup>th</sup> November 2024. She said to email Sharon Tolan and that this visitrix

would arrange to show such an email to the secretary of Helen McEntee.

Unfortunately I do not detect adequate progress by Helen McEntee and Fine Gael. I am a witness about *3 murders* because of Fine Gael. These murders happened because I was *tortured*. Permanent physical injuries used to be inflicted into me because Helen McEntee refuses to save me.

These Ministers for Justice in Fine Gael of the times (Helen McEntee; Charles Flanagan; and Simon Harris) can confirm that I repeatedly request them via registered letters and emails for international arrest warrants during many years. I still wait for even one arrest warrant.

The Language Commissioner can confirm that the staff of the Language Commissioner upholds a complaint by me that a response by Simon Harris about these would-be arrest warrants is illegal.

## Introduction

This email is about the International Criminal Court; the European Court of Human Rights; and the International Court of Justice about inter alia torture against me by Portugal in 2013; the consequential murders; persecution; and discrimination.

[. . .]

I refer below to a translation which arrived on 18<sup>th</sup> November 2024. It is a translation of a document which caused 3 murders; torture; persecution; and permanent physical injuries in me.

[. . .]

## Murders and crimes against humanity which preceded these murders on accounts of subvention frauds by DCU and QQI and our embassy to Portugal

Portugal murdered 2 of my friends and another neighbour to cover up torturing me in 2013. I want:

\* the Republic of Ireland to prosecute Portugal at the International Court of Justice (<HTTPS://WWW.ICJ-CIJ.org>);

\* the Republic of Ireland to prosecute Portugal at the European Court of Human Rights via an inter-state case ("ARTICLE 33

## Inter-State cases

[HTTPS://WWW.ECHR.COE.int/documents/d/echr/convention\\_eng](HTTPS://WWW.ECHR.COE.int/documents/d/echr/convention_eng)

);

\* the Republic of Ireland to demand the International Criminal Court to issue international arrest warrants against the persons who tortured me and against the persons who perpetrated the murders about which I am a witness;

\* help about how to invoke this country's universal jurisdiction against torture (CRIMINAL JUSTICE (UNITED NATIONS CONVENTION AGAINST TORTURE) ACT, 2000 (

<HTTPS://WWW.IrishStatuteBook.Ie/eli/2000/act/11/section/2/enacted/en/html#sec2>

));

and

\* documents of the Council of Europe to be translated to Irish and Portuguese including:

· there is still never an application form for the European Court of Human Rights in Irish! (

);

and

· the big reports by the European Committee for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment (CPT) (which are published since 1994!) criticising Portugal over repeatedly violating international law are only in English and French (a coauthor of many of these reports works in Dublin).

[. . .]

I apply to the putative Republic of Ireland for legal aids since 17/07/2015.<sup>4</sup> On 15/11/2024 – *nine years later!* – an Irish Human so-called Rights and so-called Equality Commission wrote a self-contradictory refusal to grant me a legal aid in a mixture of English and broken Irish: “Is oth liom a chur in iúl duit gur chinn an Coimisiún gan cúnamh dlíthiúil a dheonú duit ar an bhforas nach n-ardaíonn an t-ábhar lena mbaineann na himeachtaí lena mbaineann ‘ceist phrionsabail’ chun críocha alt 40(4)(a). den Acht um Choimisiún na hÉireann um Chearta an Duine agus Combhionannas 2014.

**The reasons**

Breithníodh d’iarratas faoi na critéir chun cúnamh a dheonú de réir Alt 40 den Acht um Choimisiún na hÉireann um Chearta an Duine agus Combhionannas 2014. Tugann na Treoirínte ar Iarratais ar Chúnamh faoi Alt 40 cur síos ar a bhfuil san áireamh agus cinneadh á dhéanamh maidir le hiarratas ar chúnamh dlíthiúil.

Is iad seo a leanas na cúiseanna atá le cinneadh an Choimisiúin gan cúnamh dlíthiúil a dheonú:

Ar bhonn na faisnéise a cuireadh ar fáil, ní nochtann na fíricí mar a nochtar cás láidir agus ní dócha go n-éireoidh le haon dlíthíocht atá beartaithe. Dá réir sin, ag féachaint d’alt 40 agus do Threoirínte an Choimisiúin, ní ardaíonn an t-ábhar seo ‘ceist phrionsabail’ de réir bhrí dhlíthiúil alt 40(4)(a).

Tuigim gur ábhar díomá duit cinneadh an Choimisiúin gan cúnamh dlíthiúil a dheonú. Ar an drochuair, ní fhéadfaidh an Coimisiún cúnamh den sórt sin a sholáthar ach amháin nuair a chomhlíontar na critéir reachtúla ábhartha. Ba mhaith liom a aibhsiú, áfach, nach gciallaíonn sé sin nach n-aithníonn an Coimisiún dáiríreacht na saincheisteanna a ardaíodh ar do shon.”

This pleading in a document which is dated 13/07/2011 in e.g.

[HTTP://Gloucester.Insomnia247.NL/Ricardo\\_Namora\\_de\\_Melo\\_Teixeira/2024-10-21/prioritised\\_documents/translations/2011-07-13\\_pleading\\_by\\_racist\\_defendants\\_Pages01-13\\_\\_Translation3.docx](http://Gloucester.Insomnia247.NL/Ricardo_Namora_de_Melo_Teixeira/2024-10-21/prioritised_documents/translations/2011-07-13_pleading_by_racist_defendants_Pages01-13__Translation3.docx)

is clear discrimination and persecution! An obligation to grant me legal aids against Portugal is a matter of principle! E.g. this defendant lost a court case over a scholarship but it refuses to obey a court order to pay me tens of thousands of Euro.<sup>5</sup>” says

Be prudent about trusting Helen McEntee or not. I write<sup>6</sup> about deliberate underperformance by her to this High Court since years ago: **“YOUR ENTITLEMENTS IN 2016 HEALTH [ . . . ] WELFARE [ . . . ] [ . . . ] we are now moving into a real recovery. 1. In the determination of his civil rights [. . .]  
[. . .] everyone is entitled to a fair  
and public hearing within a reasonable time” says the Council of Europe. The Court of  
Session violates this article. Will an international-court case against the United  
Kingdom of Great Britain and Northern Ireland over the Court of Session conniving at  
torturers be against Scotland when Scotland will not still be in the United Kingdom of  
Great Britain and Northern Ireland?

I myself wrote to the Court of Session: ““He explained that two people had been locked  
up for several  
hours by two judges, and he felt that if the persons who made the  
rules were not themselves subject to the rules, then those rules  
could not have a very high credibility. [. . .]

[. . .]  
[. . .] Mangan<sup>[7]</sup> was suing him for not explaining what he  
had done in court, even though Mangan himself had not done so.  
Kerrigan was asking the jury to decide if the litigation was another  
example of double standards.”
