### 1.1 ionsaithe dar le dlí

**“There are various types of assaults which a person can be charged with ranging from simple assaults to assaults causing harm. It is**

**important that someone is familiar with these when contacted by the Gardai in relation to an investigation.**

**Like in public order cases, it is not uncommon for someone to come before the courts on an assault charge having never been in trouble before. They often occur at flashpoints in busy towns or cities on weekends. The Non Fatal Offences Against the person Act 1997 governs all assaults. There are 3 main types of assaults;**

●**Section 2 – assault. This offences includes the very definition of an assault. It is a summary only offence which means that it will always stay in the District Court.**

●**Section 3 – assault causing harm. It contains the elements of a section 2 but harm has to occur such as a cut or black eye.**

●**Section 4 – assault causing harm. Similar to the other two but the harm must be serious. For example, this can relate to a stabbing or an assault where a brain injury may occur.**

**It is important for someone to know that physical touch does not have to occur in order for someone to be investigated, charged or convicted of an assault.” arsa <HTTPS://McGarryLaw.ie/assault>**

They were interrogated by members of the investigation section of the technical bureau. This was the section associated with a group that came to be known as the heavy gang. Later in the 1970s, and into the '80s, numerous allegations of ill-treatment were made against officers associated with the unit, including John Courtney, who questioned the three men in 1971. No charges relating to ill-treatment were ever brought against Courtney.

#### Assault

The three alleged they were abused in custody, but the gardaí have always denied this. [. . .]

Conmey and Kerrigan signed statements of admission to encountering Una Lynskey on the night in question. They have always maintained that they signed the confessions following assault, intimidation and the promise that they could go home if they signed.

[. . .]

[. . .] Crucial to the case against them were sightings of Donnelly's car in the lane that evening. Three witnesses, all young, local men, gave statements to that effect. What didn't emerge in the trial was that all three had first given statements saying they hadn't seen Donnelly's car. After they were brought to the garda station and interviewed by members of the investigation section, they changed their statements to say they had seen the car.

The only survivor from the three, Sean Reilly, told the appeal hearing earlier this year that he had been punched and abused by the garda and made to feel like a suspect. He signed the statement putting Donnelly's car in the frame. His friend Martin Madden signed a similar statement. The failure to produce the earlier statements at the trial was crucial, according to the appeal court, as the alleged sightings were a central plank of the prosecution case.

[. . .]

Despite the less-than-enthusiastic attitude of the state to a potentially wronged citizen, the truth was eventually uncovered.” arsa nuachtán.<sup>19</sup>

"Polices at Ireland; England; and France refuse to investigate. E.g. Sergeant Anthony Malone assaulted me in front of CCTV on 13/09/2025. Cf. Ferriter, "Occasions of Sin: Sex and Society in Modern Ireland"; Yorkshire-Ripper Victim Tracy Browne criticises

dismissive police officers via "The Ripper" at Season 1 Episode 4 at 10:10 on Netflix, and criticisms by Sarbjit Athwal and Ex-policeman Clive Driscoll via "When Missing Turns to Murder"'s 2nd season's 6th episode on Netflix; and by Ex-detective Chief Superintendent Bernard Kinsella at "Monique Olivier: Accessory to Murder" at Episode 3 at 25:20 on Netflix.

[. . .]

I myself (i.e. sans lawyer sans interpreter sans dictionary) wrote a criminal complaint about 2 murders in custody and torture as registered mail in English and German (and quoting exact crimes' names in Portuguese from a criminal code) namings 2 victims (viz. Jorge Albano Esteves da Silva Fernandes and Hugo Alves) in 2009: "Jorge Albano Esteves da Silva Fernandes – damals Inhaftierungsnummer 415 – ist zu einem Beispiel[e] gestorben.[...]Hugo Alves – damals Inhaftierungsnummer 293 – ist zu einem Beispiel[e] gestorben. Kein Gericht erklärt, dass er schuldig sei.[...]Cf. Artigos[...]; 131.º Homicídio; 132.º Homicídio qualificado; 135.º Incitamento ou ajuda ao suicídio; 137.º Homicídio por negligência;[...]243.º Tortura e outros tratamentos cruéis, degradantes ou desumanos graves;".

I wrote this criminal complaint by registered mail in 2019 but it became responded to in 2024 only! A response in Portuguese is by 2 police officers apparently refusings to investigate because they pretend that murders and torture are not a crime! "A solicitação formulada por V.ª Ex.ª mereceu a melhor atenção por parte deste Comando, cabendo informar que a carta de V. Exa. endereçada ao Posto Territorial de Taveiro, de Outubro de 2019 foi enviada ao Estabelecimento Prisional de Santa Cruz do Bispo – Clínica Psiquiátrica e Saúde Mental, sita na Rua de São Brás, Apartado 5, 4455-848 Matosinhos, para os fins tidos por convenientes e por não se vislumbrar qualquer tipo de crime." These police officers are named **David Melo da Silva Alferes** (**Comandante do Destacamento Territorial de Coimbra, em Suplência**) and "Redator: RP".

Police Sergeant Anthony Malone refuses to investigate so he assaulted me when I brought complaints in front of a CCTV camera at a police station on 13/09/2025. So he delayed this submission to UN special rapporteurs by days."

That, in fact accounts for much of the structure of modern operating systems today. [Laughter and applause]”

Subsequently as a direct result of Maddox's dishonesty I was wrongfully accused of defaming a Max Plank director and placed under house arrest in Portugal for over 5 years whilst awaiting the outcome of 3 consecutive court cases. I was acquitted [. . .] and then re-charged and acquitted [. . .]. I announced this result on Scifraud and repeated my accusations (11th August 1999) and once again provided proof that the MPI director had knowingly published false data in a NATURE article; and of Maddox's connivance. If it is according to Bologna standards, FCT has to accept it even if the standards were not implemented in Portugal at the time you got your degree. Furthermore, the correct institution for recognition problems with legal documents (which your degree is) is SOLVIT. Once you file a case with them, the FCT has to accept your degree.

☐

☐ Now another thing: in the email that you are showing, I see that they are threatening with legal action. This is clearly intimidation and you should not let this pass. They have crossed a border here and you really can sue them for this. I understand that you are in financial need but this is because of the FCT and others incompetence. I would sue and demand a compensation because you have suffered financially and psychologically.

☐ I know this email will not change your life but you are not the only one who has experienced the wrath of portuguese bureaucracy. I had serious problems with me Masters here, I had to wait one year before being allowed to do my thesis defence and I was threatened as well by the direction of the school. ☐ “Subject: FCT doctoral scholarships problems

☐ Hello!

☐ I v received your e-mail adress from [. . . fisiceoir gallda inár saotharlainn]. She told me that you might have similar problem with FCT as I do.

☐ I believe it would be much easier if we , foreign people, unite agaist injustice in FCT and act together.

☐

☐ I have some ideas, and would like to meet and talk it over. But first will give you my brief story:

☐

☐ 1) I came to Portugal for [. . .] Doctoral Course,

☐ 2) After completing first year I learned that the laws about foreigners might have been changed and I can apply for Bolsa Individual,

☐ 3) I applied in May 2011

☐ 4) Immediately after sealing my application I received an e/mail taht I have been dismissed because of lack of "residencia permanente"

☐ 5) I anyway asked my supervisor to seal my application, ignoring the e0mail that I had received.

☐ 6)In september I obtained results according to which my score wasn;t high enough, but:

☐ - all my "A" from diplomas were counted as "B"

☐ - I anyway found myself on the list of tenants, with final score  $4.00 \div 5.00 = 80\% = A =$  céim le céadonóracha],

☐ , but because of this STRANGE RULE which says "everybody will be treated equally, ignoring the nationality. Foreign students must have bigger score than the average of portuguese students" - I was discarded.

☐ 7) I appealed, and waited 3 months

☐ 8) My appeal letter was redirected to second round of appeal starting from January this year

☐ 9) And I am still waiting for an answer - had to stop my course, because I have to money to pay for it... And my carrier and stay in [ . . . ] is under big question mark.

☐

☐ If it sounds any similar to your case and you think we could join our forces and do sth about it, please get back to me asap.” arsa eolaí dhomsa ar an 22/04/2012.

## **EOLAS FAOI CONAS ÚSÁID A BHAINT AS AN bhFOIRM ES.1**

*Tabhair do d’aire, le do thoil, nach comhairle dlí atá i gceist leis an bhFoirm seo ná leis na Nótaí Eolais, agus ní léiriú dlí iad ach an oiread. Cuirtear ar fáil iad mar chúnamh praiticiúil i dteanga atá soiléir sothuigthe, ionas go mbeidh eolas soiléir ag an dá pháirtí faoi na saincheistanna atá faoi chaibidil. Tá siad faoi réir fhocláíocht beacht na nAchtanna i ngach cás.*<sup>68</sup>

### **1. Céard faoi an fhoirm seo?**

Faoi na hAchtanna um Stádas Comhionann 2000-2015, tá sé neamhdhleathach go ginearálta idirdhealú a dhéanamh ar dhaoine nuair atá earraí, seirbhísí, áiseanna, cóiríocht nó oideachas á soláthar, bunaithe ar inscne an duine, stádas sibhialta, gnéaschlaonadh, reiligiún, aois, míchumas, cine ná ballraíocht den Lucht Siúil, agus i gcásanna áirithe nuair atá forlíonadh cíosa á fháil ag an duine.

Tá iompar eile ann atá neamhdhleathach chomh maith:

- ciapadh bunaithe ar aon cheann de na fachtóirí seo, nó gnéaschiapadh,
- duine a íospairt toisc gur lorg siad cearta atá faoi réir na nAchtanna um Stádas Comhionann,
- gan “freastal réasúnta” a sholáthar (mínítear é seo ag pointe 9) i gcás duine a bhfuil míchumas orthu.

<sup>68</sup> Tá téacs iomlán na nAchtanna um Stádas Comhionann 2000 – 2015 le fáil ag [www.workplacerelations.ie](http://www.workplacerelations.ie), nó ó [irishstatutebook.ie](http://irishstatutebook.ie). Leagtar amach thíos roinnt de na sainmhínithe ábhartha ón Acht, ag pointe 9.

Tá foráil déanta sna hAchtanna i leith roinnt díolúintí sonracha a bhaineann leis na rialacha ginearálta seo.

**Foirm ES.1** Is í seo an chéad chéim chun gearán idirdhealaitheach a dhéanamh faoi na hAchtanna um Stádas Comhionann. Faoi na hAchtanna um Stádas Comhionann, *ní mór* do dhuine ar mian leis/léi gearán a dhéanamh (“**an gearánach**”) Fógra scríofa a sheoladh chuig an duine a bhfuil gearán a dhéanamh faoi (“**an freagróir**”). Caithfidh eolas faoi leith a bheith san Fhógra, agus ní mór é a sheoladh lasitigh de theorainn ama faoi leith.

Is Fógra í an fhoirm ES.1. An aidhm atá aige ná cuidiú leis an dá pháirtí na riachtanais dlí a chomhlíonadh maidir le fógra agus freagra a thabhairt.

---

***Rochtain agus riachtanais speisialta***

Má tá deacracht agat an fhoirm seo a chomhlánú (mar shampla, de bharr mhíchumais nó teanga nó deacrachtaí scríbhneoireachta), déan teagmháil leis an an gCoimisiún um Chaidreamh san Áit Oibre. Déanfaimid iarracht cuidiú leat trí shocruithe malartacha a dhéanamh, mar is cuí.

## **2. Cad é “an t-iarratas ar eolas” (pointe 6 san fhoirm ES.1)?**

Faoi na hAchtanna um Stádas Comhionann 2000-2015, tá tú i dteideal cesiteanna a chur ar an bhfreagóir, i d’Fhógra, chun eolas a fháil a bhaineann le do chás. (Níl sé éigeantach é seo a dhéanamh). Is féidir leat pointe 6 san Fhoirm ES.1 a úsáid chun é a seo a dhéanamh.

Níl aon dualgas ar an bhfreagróir do cheisteanna a fhreagairt. Ach, mura bhfreagraíonn siad, nó má thugann siad eolas atá bréagach nó míthreorach, tá foráil san Acht go bhféadfadh Oifigeach Breithniúcháin é seo a chur san áireamh, más cuí, nuair atá cinneadh á dhéanamh maidir le do chás.

## **3. An gcaithfidh mé an Fhoirm ES.1 a úsáid chun mo ghearán a chur in iúl don fhreagróir?**

Ní chaithfidh. Níl aon ghá an fhoirm áirithe seo a úsáid. Tá sé deartha chun go mbeidh sé síos éasca don dá pháirtí forálacha na nAchtanna um Stádas Comhionann a chomhlíonadh maidir le fógra a sheoladh, iarratas a dhéanamh ar eolas, agus freagra a fháil. Ach is féidir leat d'fhrógra féin a scríobh, má chomhlíonann sé na riachtanais go léir atá sna hAchtanna um Stádas Comhionann.

#### **4. Cad a dhéanfaidh mé leis an bhfoirm nuair a bheidh sí comhlánaithe agam?**

Seol an fhoirm díreach ar aghaidh chuig an bhfreagóir (is é sin, an duine nó an eagraíocht ar dóigh leat go ndearna siad idirdhealú ort). Ná seol an fhoirm seo chuig an gCoimisiún um Chaidreamh san Áit Oibre, le do thoil.

Déan cóip den fhógra sula seolann tú é. Ba chóir duit é a sheoladh sa phost cláraithe, nó faigh **deimhniú postála** ó Oifig an Phoist.

Má tá sé i gceist ag grúpa daoine gearán a dhéanamh faoin imeacht céanna, ba chóir do gach gearánach fógra a sheoladh.

Seol an Fhoirm ES.2 (ceangailte) chuig an bhfreagóir le d'Fhógra. Is féidir leo í a úsáid chun freagra a chur chugat.

#### **5. An bhfuil teorainn ama ann chun an fógra a sheoladh?**

Tá. Tá sé seo tábhachtach. Leagtar amach sna hAchtanna um Stádas Comhionann go gcaithfidh tú an Fógra a sheoladh chuig an bhfreagróir laistigh de dhá mhí ó tharla an t-imeacht a bhfuil tú ag déanamh gearán faoi.

**Mura dhéanann tú é seo laistigh den teorainn ama seo, d'fhéadfadh sé nach mbeidh do ghearán bailí: mura bhfuil an gearán bailí, ní féidir leis an Oifigeach Breithniúcháin déileáil leis.**

## 6. An féidir liom aon rud a dhéanamh má tá an teorainn ama cailte agam?

I gcúinsí áirithe, is féidir síneadh de cheithre mhí, ar a mhéad, ó tharla an t-imeacht, a chur leis an teorainn ama chun fógra a sheoladh. Ní mór duit iarratas a chur chuig Oifigeach Breithniúcháin an Choimisiúin um Chaidreamh san Áit Oibre ina n-iarrann tú air nó uirthi síneadh ama a thabhairt, agus ní mór go mbeidh sé nó sí sásta go bhfuil cúis réasúnta ann chun é seo a dhéanamh. (Mínítear conas an t-iarratas seo a dhéanamh i *Nósanna Imeachta d'Imscrúdaithe ar Ghearáin Fhostaíochta agus Chomhionannais* de chuid an Choimisiúin um Chaidreamh san Áit Oibre).

I gcúinsí atá an-teoranta, de réir na nAchtanna um Stádas Comhionann, is féidir le hOifigeach Breithniúcháin an Choimisiúin um Chaidreamh san Áit Oibre roinnt de na coinníollacha fógra, nó iad go léir a ligean thar ceal, (mar shampla, glacadh le gearán cé nach bhfuarthas an fógra laistigh de na teorainneacha ama atá ceadaithe). Tá sé scríofa san Acht, áfach, nach féidir é seo a dhéanamh ach amháin:

- I gcúinsí eisceachtúla
- Nuair atá an tArd-Stiúrthóir sásta go bhfuil sé cothrom agus réasúnta sna cúinsí áirithe atá i gceist
- nuair a chuirtear na cúinsí ábhartha go léir san áireamh, lena n-áirítear:
- an méid eolais is dócha go bhfuil ag an bhfreagróir maidir leis na cúinsí inar tharla an t-iompar toirmiscthe
- agus méid an riosca nó an dochair a d'fhéadfadh tionchar a bheith aige ar chumas an fhreagróra déileáil go sásúil leis an ngearán.

Ní mór duit iarratas a chur faoi bhráid Oifigigh Bhreithniúcháin de chuid an Choimisiúin um Chaidreamh san Áit Oibre chun go ligfí thar ceal an fógra.

Beidh an deis ag an bhfreagróir a thuairim a chur in iúl más amhlaidh go bhfuil sé i gceist ag an Oifigeach Breithniúcháin síneadh ama chur leis an iarratas nó an fógra a ligean thar ceal.

## 7. Cad a tharlóidh nuair a bheidh an fhoirm seolta agam?

Mura bhfuil freagra faighte agat tar éis mí amháin, nó má fhaigheann tú freagra agus níl tú sásta leis, is féidir leat gearán a dhéanamh faoi na hAchtanna um Stádas Comhionann leis an gCoimisiún um Chaidreamh san Áit Oibre, ag [www.workplacerelation.ie](http://www.workplacerelation.ie) nó An Coimisiún um Chaidreamh san Áit Oibre (WRC), Bóthar Uí Bhriain, Ceatharlach, R93 W7W2. Beidh ort foirm ghearáin a chomhlánú. Tá an fhoirm seo ar fáil ar líne ó [www.workplacerelation.ie](http://www.workplacerelation.ie).

Tabhair do d'aire go bhfuil teorainn ama faoi leith ag gabháil le gearán a dhéanamh. Ní mór don ghearán a bheith faighte ag an gCoimisiún um Chaidreamh san Áit Oibre laistigh de sé mhí ó tharla an t-imeacht atá faoi chaibidil (nó sé mhí ó tharla an t-imeacht deireanach, más amhlaidh go raibh níos mó ná imeacht amháin ann den chineál céanna.)

## 8. Cad a chiallaíonn na téarmaí dlí san fhoirm ES.1?

Mar seo a leanas a shainmhínítear sna hAchtanna um Stádas Comhionann na téarmaí thíosluaite:

**“aois”:** De réir na nAchtanna um Stádas Comhionann, ní mheasfar gur idirdhealú ar an bhforas aoise é má dhéileáiltear le duine nach bhfuil 18 mbliana d’aois slánaithe aige nó aici le níos lú fabhair nó le níos mó fabhair ná mar a dhéileáiltear le duine eile.

Mar sin féin, d’fhéadfadh sé a bheith mídhleathach idirdhealú a dhéanamh in aghaidh duine atá faoi bhun 18 ar aon cheann de na forais chosanta *eile*, e.g. an foras cine nó míchumais.

Ciallaíonn **“míchumas”** —

*“(a) feidhmeanna coirp nó meabhrach duine a bheith in easnamh go hiomlán nó go páirteach, lena n-áirítear cuid de chorp duine a bheith in easnamh,*

- (b) orgánaigh atá nó is dóigh a bheidh ina dtrúig galair nó tinnis ainsealaigh a bheith sa chorp,*
- (c) mífheidhmiú, anchuma nó máchailiú cuid de chorp duine,*
- (d) riocht nó mífheidhmiú a bhfuil de thoradh air go bhfoghlaímíonn duine ar shlí éagsúil le duine nach bhfuil an riocht nó an mífheidhmiú air no uirthi, nó*
- (e) riocht, tinneas nó galar a fhearann ar phróisis smaointe duine, ar aireachtáil na réaltachta ag duine, ar mhothúcháin nó ar*

*bhreithiúnas duine nó a bhfuil iompraíocht shuaite de thoradh air”.*

Tarlaíonn **“idirdhealú díreach”** *“nuair a dhéileáiltear le duine le níos lú fabhair ná mar a dhéileáiltear, mar a dhéileáladh nó mar a dhéileálfaí le duine eile i gcás inchomparáide”* bunaithe ar aon cheann de na forais chosanta (inscne, míchumas, cine srl). Mar shampla, má dhéileáiltear le fear le níos mó fabhair ná mar a dhéileáiltear le bean i gcúinsí inchomparáide, agus is léir gur déileáladh go héagsúil leis toisc gur fear é, d’fhéadfadh sé go bhfuil idirdhealú díreach i gceist bunaithe ar inscne.

**“idirdhealú”**: Cuireann na hAchtanna um Stádas Comhionann cosc ar fhoirmeacha éagsúla idirdhealaitheacha, lena n-áirítear *idirdhealú díreach, idirdhealú indíreach, mainneachtain “freastal réasúnta” a sholáthar do dhuine faoi mhíchumas (mínítear é seo thíos), agus idirdhealú trí bhainteacnt* (nuair a dhéileáiltear le duine le níos lú fabhair toisc go bhfuil baint acu le duine eile faoi fhoras cosanta, mar shampla an foras cine, míchumais, náisiúntacht, srl.) Is idirdhealú é *íospairt* a dhéanamh ar dhuine agus déileáiltear léi mar sin.

Ciallaíonn **“stádas teaghlaigh”** *“bheith torrach nó freagracht—*

- (a) *mar thuismitheoir nó mar dhuine in loco parentis i ndáil le duine nach bhfuil 18 mbliana d’aois slánaithe aige nó aici, nó*
- (b) *mar thuismitheoir nó mar an cúramóir príomha cónaitheach i ndáil le duine ag a bhfuil an aois sin nó atá os cionn na haoise sin agus atá faoi mhíchumas de chineál is cúis le cúram nó tacaíocht a bheith ag teastáil ar bhonn leanúnach, rialta nó minic,*

*agus, chun críocha mhír (b), is cúramóir príomha cónaitheach i ndáil le duine faoi mhíchumas é nó í cúramóir príomha má tá cónaí ar an gcúramóir príomha leis an duine atá faoin míchumas”*

ciallaíonn **“earraí”** aon bhaill maoine sochorraithe.

Ciallaíonn **“foras”** an bunús ar a dhéantar idirdhealú: is iad na “forais” a chosnaítear faoi na hAchtanna um Stádas Comhionann ná **inscne,**

**stádas sibhialta, stádas teaghlaigh, gnéaschlaonadh, reiligiún, aois, míchumas, cine, ballraíochta den Lucht Siúil, cúnamh tithíochta nó íospairt.**

Ciallaíonn **“ciapadh”** *“aon chineál iompair nach bhfáiltíonn an t-íospartach roimhe a tharlaíonn gan iarraidh<sup>69</sup> a bhaineann le haon cheann de na forais idirdhealaitheacha...a bhfuil mar aidhm nó mar éifeacht aige dínit duine a shárú agus a bhféadfaí a mheas gur ábhar coil, uirsíslithe nó imeaglaithe é dó nó di”,*

Ciallaíonn **“cúnamh tithíochta”** forlíonadh cíosa nó íocaíocht ar bith a fháil faoi na hAchtanna Leasa Shóisialaigh

D’fhéadfadh **“idirdhealú indíreach”** a bheith ann *“sa chás go gcuirfí duine [atá ina bhall de ghrúpa atá clúdaithe faoi fhoras cosanta ar leith], faoi mhíbhuntáiste ar leith i gcomparáid le daoine eile nach n-áirítear sa ghrúpa sin, faoi fhoráil atá neodrach de réir dealraimh”.* (Mar shampla, riachtanas airde). Dealraíonn sé go bhfuil an riail neodrach: Ní dhéanann sé idirdhealú díreach ar aon cheann de na forais atá cosanta toisc go bhfeidhmíonn sé beag beann ar inscne, náisiúntacht, aoise, srl. Ach, d’fhéadfadh mná an argóint a dhéanamh go gcuireann an riail, atá neodrach de réir dealraimh maidir le hinscne, mná faoi mhíbhuntáiste i gcomparáid le fir, agus go ndéanann sé idirdhealú indíreach in aghaidh na mban ar an mbonn sin.

Tá an t-idirdhealú indíreach faoi réir tástála eile: d’fhéadfadh sé a bheith dleathach fós *“sa chás go bhfuil sé faoi réir údar maith oibiachtúil agus go bhfuil an modh chun an aidhm sin a bhaint amach cuí agus riachtanach.”*

ciallaíonn **“stádas pósta”** bheith singil, pósta, idirscartha, colscartha nó baintreach nó i bpáirtnéireacht shibhialta;

**“freastal réasúnta”:** Chun críocha an Achta folaíonn idirdhealú *“diúltú nó mainneachtain ag an [bhfreagróir] gach ní réasúnach a dhéanamh*

<sup>69</sup> “Áirítear san iompar seo gníomhartha, iarratais, focail labhartha, gothaí nó táirgeadh, taispeáint nó scaipeadh focal scríofa, pictiúr nó ábhair eile”.

*chun freastal ar riachtanais duine atá faoi mhíchumas trí chóir speisialta nó trí trí shaoráidí speisialta a sholáthar, más rud é, d'uireasa na córa nó na saoráidí sin, nárbh fhéidir leis an duine féin nó gur rídheachair don duine féin leas a bhaint as an tseirbhís". Níl sé seo neamhdhleathach, áfach, "má thiteann costas, seachas costas ainmniúil ar sholáthraí na seirbhíse atá i gceist mar gheall ar an soláthar sin."*

folaíonn **"creideamh"** cúlra nó dearcadh creidimh";

Tarlaíonn **"gnéaschiapadh"** nuair a dhéanann duine *"duine eile a chur faoi réir aon ghnímh nó iompair lena ngabhann seach-chialla gnéis agus é a chur faoi réir dlúthchaidrimh fhisicigh briathartha nó neamhbhriathartha,<sup>70</sup> nach bhféiltítear roimhe agus a bhfuil mar aidhm nó mar éifeacht aige dínit duine a shárú agus a bhféadfaí a mheas gur ábhar coil, uirsílithe nó imeaglaithe é dó nó di."*

ciallaíonn **"seirbhís"** seirbhís nó saoráid de chineál ar bith atá ar fáil don phobal i gcoitinne nó do chuid den phobal, agus, gan dochar do ghinearáltacht an mhéid sin roimhe seo, folaíonn sé—

- (a) rochtain ar aon áit agus úsáid aon áite,
- (b) saoráidí le haghaidh na nithe seo a leanas—
  - (i) baincéireacht, árachas, deontais, iasachtaí, creidmheas nó maoiniú,
  - (ii) siamsaíocht, áineas nó úrúchán,
  - (iii) gníomhaíochtaí cultúir, nó
  - (iv) iompar nó taisteal
- (c) seirbhís nó saoráid a sholáthraíonn club (cibé acu is club é a shealbhaíonn deimhniú cláraitheachta faoi Achtanna Clárú na gClubanna, 1904 go 1999, nó nach ea) agus atá ar fáil don phobal i gcoitinne nó do chuid den phobal, ar íocaíocht nó gan íocaíocht, agus (d) seirbhís ghairmiúil nó trádála, ach ní fholáíonn sé cearta pinsin (de réir bhrí an Achta um Chomhionannas Fostaíochta, 1998) ná seirbhís nó saoráid a bhfuil feidhm ag an Acht sin maidir léi;"

<sup>70</sup> "Áirítear san iompar seo gníomhartha, iarratais, focail labhartha, gothaí nó táirgeadh, taispeáint nó scaipeadh focal scríofa, pictiúr nó ábhair eile".

*ciallaíonn “**gnéaschlaonadh**” claonadh heitrichnéasach, homaighnéasach nó déghnéasach;*

*ciallaíonn “**Lucht Siúil**” an pobal daoine dá ngairtear an Lucht Siúil go coitianta agus a shainaithnítear (acu féin agus ag daoine eile) mar dhaoine ag a bhfuil stair, cultúr agus traidisiúin i bpáirt, lena n-áirítear, go stairiúil, saol fánaíochta ar oileán na hÉireann”.*

Baineann an “**íospairt**” le duine atá—

*“(i) tar éis iarratas a dhéanamh de mheon macánta ar aon chinneadh nó sásamh dá bhforáiltear sna hAchtanna um Stádas Comhionann,*
